

UNITED STATES, BRITAIN AND RUSSIA REACH OFFICIAL UNDERSTANDING ON TASK OF CREATING SECOND FRONT

LONDON AND MOSCOW SIGN AID TREATY

Two Powers Pledged Not To Seek "Territorial Aggrandizement for Themselves"

JAPAN NOT MENTIONED

BY ROGER D. GREENE

Associated Press War Editor

The United States, Great Britain and Russia were officially disclosed today to have reached a "full understanding" on "the urgent task of creating a second front in Europe in 1942."

A White House announcement, issued simultaneously with a British statement in London, said President Roosevelt and Soviet Foreign Commissar V. M. Molotov had reached agreement regarding the problem of launching a mighty Allied offensive against Germany.

It did not state specifically, however, when or if the three powers had decided to open a second front—merely emphasizing the "urgent task" of creating a new front.

Simultaneously, the British announced the signing of a 20-year mutual assistance treaty with Russia even as the Axis armies pressed a violent assault against the Soviet Black Sea naval base of Sevastopol, in the Crimea, and the German high command reported new gains in the battle of North Africa.

A Reuters (British news agency) dispatch quoted a Vichy broadcast as reporting that the German Creman armies had crossed the Strait of Kerch and landed on the mainland of the oil-rich Caucasus. The broadcast said the Nazis had occupied the Caucasus town of Anapa. There was no confirmation of this elsewhere.

The new British-Russian treaty pledged the two powers not to seek "territorial aggrandizement for themselves" after the war and to a policy of "not interfering in the internal affairs of other states."

Revelation that Russia's Foreign Commissar Molotov had come to the United States after the negotiations in London led to speculation that he might be arranging a similar pact with the United States.

British Foreign Minister Anthony Eden said the new Anglo-Soviet pact was signed May 26.

Eden said the pact was directed "against Hitlerite Germany" and that the signatory powers pledged themselves "to rebuild post-war Europe on the design of the famous Atlantic charter signed by President Roosevelt and Prime Minister Churchill."

The pact provides for "common action to preserve peace and resist aggression in the post-war period" and pledges the nations "to enter into no negotiations" with Germany.

U. S. Helping To Maintain Nazi Blockade

London, July 11—(P)—Powerful United States naval units have joined the British home fleet in the task of blockading the Germans and protecting vital Allied shipping lanes by keeping Adolf Hitler's mightiest warships from joining the battle of the Atlantic.

The American forces, whose arrival was announced today, apparently are sufficiently strong to cope with the German super-battleship Tirpitz, the cruiser Admiral Hipper and other lesser craft should they venture forth from the Norwegian bases where for weeks they have constituted a potential threat to Russia's Arctic supply line.

Indications that the Tirpitz might soon attempt a dash into the Atlantic were seen here in Danish radio reports that Grand Admiral Erich Raeder, commander in chief of the German navy, had just completed an inspection of that vessel and other warships at Trondheim.

The full strength of the American units, described officially as a "task force," was not disclosed, but some indication of their power was given by the disclosure that King George VI had inspected a United States battleship, a cruiser and several destroyers.

That the American warships have been operating from bases in the United Kingdom for more than a month was evident from the announcement that they had been greeted at sea and escorted to port by the British Cruiser Edinburgh, which was sunk May 2 while protecting a Russia-bound convoy against attacking German submarines, destroyers and planes.

Alleged Boy Slayer Tells Story To Jury

14-Year-Old Lad Charged With Killing Sister Takes the Stand

HAS MEMORY LAPSE

Pittsburgh, June 11—(P)—Fourteen-year-old Vincent James Rocco, in response to questioning of a defense attorney, told a jury at his murder trial today he did not know whether he killed his nine-year-old sister, at least he did not "recall doing it."

Young Rocco, whom the defense contends is subject to sleep-walking, testified he fell asleep on the night of the shooting last March 15, after seeing a movie and listening to a "scary" radio program, and awoke to find his sister shot. The parents were away from the Rocco home in Swissvale at the time.

The boy, youngest murder defendant in Allegheny county's history, related:

"I had helped my sister, Marie, to bed that night. I undressed and put my brother, Peter, to bed. The radio was playing. I had a headache. I lay down and fell asleep. Later I woke up. I saw the gun on the couch beside me. It didn't look like my dad's, but I went to his room to see if it was. His gun wasn't there."

Sobbing, he added: "I went to my sister's room and saw her. I couldn't see Marie's face. But I could see blood so I thought I'd done it. I was all scared. I got my overcoat and left the house."

Asked by defense attorney Louis Little whether he had shot Marie, he hesitated and said:

"No—I don't know, sir. I don't recall doing it. I don't know if (Turn to Page Thirteen)

Henderson Is Unwilling To Boost Crude

Washington, June 11—(P)—Price Administrator Leon Henderson has told a congressional committee of an unwillingness to grant a general increase of 25 cents a barrel in the price of crude oil.

An informed person disclosed today that Henderson stated his job was to keep prices down and that such an increase, as proposed by independent producers in the Mid-continent field, would amount to \$365,000,000 yearly.

"If it is necessary to bring in, (Turn to Page Thirteen)

STATE INSTITUTIONS ARE SHORT OF HELP

Harrisburg, June 11—(P)—Help wanted signs are out in half of the 42 Pennsylvania state institutions now faced with a serious labor shortage.

Drains on manpower by the armed services and defense industries have resulted in hiring youths below draft age and men over the military service age limit, the state department of welfare reported.

E. Arthur Sweeney said the most vital need is for physicians and nurses, adding that shortages in attendants and prison guards were climbing.

Pastor Faces Spy Charges

Philadelphia, June 11—(P)—Orders were received here today for the arrest of the Rev. Curt L. D. Molzahn, German-born pastor of historic old Zion's Lutheran church, who was indicted with four others in Hartford, Conn., yesterday on espionage charges.

Molzahn, who came here from a Johnstown, Pa., pastorate in 1929, was charged with permitting the use of his home by a spy ring. Indicted with him were Anastase Vonsiatsky-Vonsiatsky, who married an American heiress while employed as a 34-a-day mechanic here; Gerhard Wilhelm Kunze, one-time Philadelphia chauffeur, who became a national leader of the German-American Bund; Dr. Wolfgang Ebell, El Paso, Tex., and Dr. Otto Willmuller, Chicago, physician and midwestern bund leader.

The indictment charged the four with conspiring to deliver military and naval information to the German and Japanese governments.

Spite Raid Victims Carry On

Their house wrecked by Nazis' retaliatory raid following RAF huge-scale attack on Cologne, a Canterbury, England, family searches through rubble which was once their home for what few possessions may remain intact.

Crack Ball Player and Star Thespian Back In Sing Sing

From Cell to Cell and Yard to Factory Prisoners Are Rejoicing

UNDER LONG CONTRACT

BY JAMES T. CARTER
Ossining, N. Y., June 11—(P)—With the dismal gray walls of Sing Sing Prison there was rejoicing today.

From cell to cell, from yard to factory spread the news: Jerome Milner is back. Patrick Dealey is back. Charles Markham is back.

Everyone was happy, for isn't Milner one of Sing Sing's all-time baseball stars? Does he not, in fact, possess a prison life-time batting average of .450? Isn't he back under a 15-20 years' contract, and for free?

And Dealey there a popular felon if ever there was one. Patrick, beloved in years past as an entertainer de luxe, drew the (Turn to Page Thirteen)

Show-Down Is Near On Move To End W.P.A.

Washington, June 11—(P)—The house approached a show-down today on the question of wartime continuance of the long-battled W.P.A., which, at its peak in 1939 had 3,000,000 of the nation's jobless on its rolls at a cost of \$2-230,000,000.

Rep. Taber (R-N.Y.), ranking minority member of the house appropriations committee, served notice today on the bill.

"There are 35 men in training at the Hershey motor police school now," Commissioner Lynn G. Adams reported, "but since we've got them we've lost 50 from the regular force."

Adams said the resignations included those of some leading criminal investigators, most of whom have entered army, navy, and private industrial sabotage squads.

The commissioner pointed out that reduced traffic, resulting from tire and gas rationing, may ease the problem by freeing men from routine patrol duty.

Many Resignations From Motor Police

Harrisburg, June 11—(P)—Resignations in the Pennsylvania Motor Police—totaling more than 200 since Pearl Harbor—have exceeded the number of recruits.

"There are 35 men in training at the Hershey motor police school now," Commissioner Lynn G. Adams reported, "but since we've got them we've lost 50 from the regular force."

Adams said the resignations included those of some leading criminal investigators, most of whom have entered army, navy, and private industrial sabotage squads.

The commissioner pointed out that reduced traffic, resulting from tire and gas rationing, may ease the problem by freeing men from routine patrol duty.

NAZI CLAIMS OF CAPTURE UNCONFIRMED

Southern Anchor of British Defense Line in North Africa Said To Have Fallen

ON THE RUSSIAN FRONT

By the Associated Press
Adolf Hitler's high command asserted that Axis troops had captured Bir Hacheim, southern anchor of the 56-mile British defense line in North Africa, while British headquarters declared that Free French defenders had beaten off a new series of assaults on the key outpost.

The Free French commander of the garrison had previously rejected six Axis demands for surrender. Confirmation of the German claim was lacking elsewhere and like past Nazi claims may be premature. London military quarters said they had no information to substantiate the German report.

British general headquarters said British armored and motorized forces, supported by RAF planes, aided the Free French in repulsing Field Marshal Erwin Rommel's furious tank assaults on Bir Hacheim all day yesterday.

The German claim, if true, apparently would mean that the British flank had been placed in considerable danger and might mean a rearrangement of the whole British front.

British military circles, conceding the possibility that Bir Hacheim had fallen, said the immediate effect would be to relieve Marshal Rommel's supply difficulties around the British left flank.

In the Russian campaign, bitter fighting raged in the seven-day-old German offensive against Sevastopol, Russia's big Crimean naval base, with 10 Nazi divisions of perhaps 150,000 troops thrown into the attack.

A bulletin from Hitler's field headquarters, which yesterday claimed that Axis siege forces had lunged deep into Sevastopol's fortification system, declared today that the Russians were making "desperate" counterattacks and were being repulsed.

Soviet dispatches said the Axis drive against Sevastopol was stalled, but acknowledged that (Turn to Page Eight)

126 SAILORS HELD ON SHIKOKO ISLAND

Washington, June 11—(P)—The war department announced today the names of 126 sailors held prisoners of war by the Japanese at Zentsu, Shikoko island, Japan. Included were 20 officers and 106 enlisted men of the U. S. navy.

In each case, the next of kin were notified by the navy department.

Pennsylvanians were from Pittsburgh and Bethlehem.

Three Youths Are Killed By Freight Train

Vandergrift, June 11—(P)—Three boys walking along the Pennsylvania railroad tracks en route from a swim were struck and fatally injured by a freight train a quarter of a mile east of the Vandergrift station yesterday.

The dead were Stanley Kozlowski, 11, son of Mr. and Mrs. Herman Kozlowski, Steve Koleno, Jr., 9, son of Mr. and Mrs. Steve Koleno, and Richard Rock, 9, son of Mr. and Mrs. Charles Rock, all of East Vandergrift.

Moose Delegates Set for the Formal Opening of Gathering At Ten-Thirty Friday Morning

Big Influx of Visitors Is Expected to Arrive Tomorrow and Saturday

LARGE CLASS IS READY

PROGRAM FOR FRIDAY, JUNE 12

9 a. m.—Registration—Carver Hotel.
10:30 a. m.—Official opening of convention, State Armory. Welcome, Hon. Raymond W. Steber, Burgess of Warren, Response, Leo W. Ryan, Supreme Councilman, Bradford.

2 p. m.—Convention session—State Armory. Reports of committees and association officers. Speakers: Hon. Raymond Hagerman, Deputy Supreme Governor; Albert H. Ladner, Jr., general counsel; John J. Silk, Moosehaven governor.

8 p. m.—Initiation of convention class—State Armory. Erie degree staff, 1941 state champions. Speaker—Hon. Mathew M. Neely, Supreme Governor, Governor of West Virginia.

10 p. m.—Entertainment and dancing—Moose Home.

While committees and officers were kept busy with conferences and meetings, delegates continued to arrive today to attend the sessions of the Western Pennsylvania Moose Association which will have its formal opening tomorrow and continue through Sunday.

Although many delegates were in Warren yesterday, the registration of delegates did not start until this morning at the Carver Hotel. From the time the registration booth opened at 10 o'clock however, members in charge of this important detail were kept busy.

Biggest influx of visitors is expected tomorrow and Saturday, with most of the lodge dignitaries due to arrive prior to Friday evening's convention class initiation, which will feature the program.

Heading the delegates who arrived last evening is Wendell V. Leonard, of Butler, secretary of the association, who is assisting in working out the details for the sessions.

Expected this afternoon or evening are F. E. M. Pierotti, of Kane, association president; Leo Ryan, of Bradford, supreme councilman, and J. Jack Stoehr, of Pittsburgh, regional director for Pennsylvania, Ohio and West Virginia.

Scheduled to meet this afternoon are the executive committee and the nominating committee.

Chief event of the day is the dinner for state officers and members of the executive committee, to be held at the Marconi Outing Club with Regional Director Stoehr as the principal speaker.

One of the features of tomorrow's program will be the annual ritualistic contest to be held in the Veterans of Foreign Wars post rooms. So far, four outstanding teams of the association are entered in the competition, with a possibility that a fifth may be added.

These degree team; and the time of their competition are as follows: Oil City, 10 a. m.; Elizabeth, 11 a. m.; Ellwood City, 1:30 p. m.; Erie, 10 p. m.

Official opening of the convention is slated for 10:30 a. m. tomorrow, with Burgess Raymond W. Steber welcoming the delegates and Supreme Councilman Ryan responding. Second convention session will be held at 2 p. m.

The class to be initiated at the State Armory tomorrow evening, when Governor M. M. Neely, of West Virginia, will be the speaker, is the largest convention class in the history of the Moose in Pennsylvania. There are 350 in the group who will witness the initiation work by the Erie degree team, which won the state championship last year.

The parade, which will be staged Saturday afternoon at four o'clock, are being worked out by the committee in charge. Officers of the local Moose lodge reported today that everything appears to be in readiness for the procession, which promises to be one of the best (Turn to Page Eight)

GLASS CUTTERS OUT IN FOUR FACTORIES

Toledo, O., June 11—(P)—A strike called by the national executive committee of the Window Glass Cutters League of America curtailed work today in plants of four window glass manufacturing plants.

The strike was called yesterday after a breakdown in negotiations on the union's demand calling for approximately a six per cent wage increase.

The strike called yesterday after a breakdown in negotiations on the union's demand calling for approximately a six per cent wage increase.

Chairman Doughton (D-NC) said the committee had tentatively agreed to raise the present \$3.25 per thousand tax to \$3.50 and had rejected a treasury proposal that a tax differential be established between 10-cent brands and 15-cent brands.

Doughton said that the committee planned to dispose later of treasury requests for increased taxes on cigars and smoking tobacco designed to raise another \$40,000,000.

The treasury had proposed that the tax on 10-cent cigarettes be made \$3.50 per thousand and the rate on 15-cent brands be raised to \$4.00 a thousand and its experts said such increases should produce about \$188,000,000.

THOUSANDS OF JAPANESE LOSE LIVES

Tokyo's Broadcasts of Dramatic Battle for Island Proven To Be Greatly Exaggerated

LOSSES ARE ADMITTED

BY ROGER D. GREENE

Associated Press War Editor

Dramatic new accounts of the battle of Midway disclosed today that American flying fortresses and other U. S. forces broke up two huge Japanese fleets, beat off an attack by 180 enemy planes and saved the Hawaiian islands from invasion.

Admiral Chester W. Nimitz, commander in chief of the U. S. Pacific fleet, said perhaps half of the enemy ships were sunk or damaged in the three-day battle which saw Japan suffer her greatest naval disaster in history.

Admiral Nimitz said thousands of Japanese must have perished—left to drown by their shipmates in flight before the Americans.

The battle ended Saturday when pursuing U. S. forces lost contact with the enemy in the darkness. "A better show than the world series," jubilant crew members of one of the armies Big B-17 bombers summed up the battle.

Coincidentally, Japan's reputation for veracity appeared to have slumped even in Berlin as the German radio broadcast Stockholm reports discounting the Japanese boasts of victory in the battle of Midway and Tokyo hints that Japanese troops had landed in the Aleutian Islands off Alaska.

The broadcast cited American viewpoints that "after the naval battle in the Coral Sea and heavy losses in the attacks on Midway Island, the Japanese had lost so much of their combined military fighting power that they could not attempt a successful invasion."

At the same time, Japan's leading civilian naval expert, Masanori Ito, gave the first authoritative suggestion from Tokyo that two Japanese aircraft carriers had been sunk, as claimed by the United States, instead of one sunk and one heavily damaged.

He declared that "in view of the great success" of Japan's farflung invasion forces "we should not be disappointed at the loss of the aircraft carriers."

While Americans thrilled to new details of the crushing Japanese defeat, with the full story yet to be told, Japan's version of the battle abounded to fantastic proportions.

Vice Admiral Ichiro Sato, a member of the Japanese naval general staff, blandly asserted that Admiral Yamamoto's fleet had made "a decisive advance toward absolute mastery of the sea" by inflicting "smashing blows" on U. S. naval forces at Midway and Dutch Harbor.

Domei, the Japanese news agency, quoted Sato as boasting that "as a result of its defeat, the United States must abandon its plan to aid Australia aggressively and must devote itself to the simple defending of its own shores."

"He said Australia has been 'orphaned' while the Panama Canal has become exposed to attack."

But the Japanese people were not told that their fleet, shattered and broken, was limping toward the refuge of a base after breaking off battle contact Saturday night.

M'Kean Court House Ready

Snethiport, June 11—(P)—The new McKean county court house, replacing the 60-year-old structure destroyed by fire last year, will be dedicated Monday with Secretary of Internal Affairs William S. Livengood giving the dedicatory address.

County Solicitor Fred D. Gallup, of Bradford, whose father, the late W. D. Gallup, was county treasurer when the last court house was dedicated in 1881, will give a historical review. Attorney Gallup recently was elected president of the McKean County Bar Association.

President Judge Charles G. Hubbard, who dedicated the court room in the building last February at a regular term of court, will be most to visiting state and county judges.

The dedication ceremony will begin at 1:30 p. m. The courthouse will be open for inspection beginning at 10 a. m.

Student Day Contribution Next Sunday

Joining with 8,000,000 other members of the denomination throughout the country, the First Methodist church plans to make its Student Day contribution on Sunday one of the largest in the church's history, according to Dr. Thomas E. Colley, pastor.

The first annual observance of the nationwide celebration, formerly known as Children's Day or College Day, is planned to benefit the Methodist Student Loan Fund providing aid for those students who otherwise might not be able to complete their higher education.

The vital need for uninterrupted education of the youth of America in these war years is being stressed more urgently than ever before, Mr. Colley reminds. The Student Loan Fund has made available over \$9,000,000 to over 60,000 students since its inauguration in 1927 and announcement has been made that this year's donations may be made in war savings bonds and stamps, not only providing for the immediate aid of the country but building toward its future security and happiness.

TIMES TOPICS

RECEIVES DEGREE

John Anderson, son of V. A. Anderson, 29 South Pine street, was graduated yesterday at Grove City and received a bachelor of science degree.

PHYSICIAN ILL

Because of an illness contracted while attending sessions of the American Medical Association convention in Atlantic City, N. J., this week, Dr. J. T. Valone will not return tomorrow as planned, but will be back in his office on Monday.

CALVARY PICNIC

Members and friends are advised that the annual Calvary Baptist Sunday school picnic will be held next Tuesday, June 16, at Island Park in Youngsville, details to be announced at the Sunday service.

CHILDREN'S DAY

The Children's Day exercises at the First Free Methodist church in Conewago avenue will be observed following the Sunday school period on Sunday, with the children participating in a special program.

KIWANIS MEETING

At the weekly luncheon meeting of the Warren Kiwanis Club, held yesterday noon at the Carver Hotel, members enjoyed a very interesting talk on the order of Moose and Mooseheart by J. B. Eisenberger, regional representative of the organization. A special All-Kiwanis Week program is planned for next week.

SPECIAL STAMP

China's long and continuing fight against Japan will be commemorated with a special 5 cent stamp bearing a contour map of the country and two mottos important in its modern history, according to an Associated Press dispatch from Washington. The stamp will be issued first on July 7 at Denver, Colo., where Sun Yat-Sen, founder of the Chinese republic, heard the news that the 1911 revolution against the Manchu regime had succeeded. July 1 will be the fifth anniversary of China's resistance to Japan.

RETURN FROM MEETING

Burgess Raymond Steber, Leslie Dodd of Columbus, County Farm Agent O. C. Tritt, and County Agricultural Extension Supervisor C. F. H. Wuesthoff have just returned from State College where they attended a retail-marketing conference at which time plans were made to start machinery going to iron out problems of districts in marketing of agricultural products. Vegetable, fruit and potato growing representatives throughout the state together with extension representatives were present at the session.

TIMES TOPICS

COURT HOUSE CLOSING

Because of the fact that Flag Day falls on Sunday, the offices of the court house will be closed on Monday. As a result, no certificates for sugar for canning will be issued Monday.

RAISES ORDERED

Wage increases at three Pennsylvania plants of the Armour Leather Company have been ordered by the War Labor Board on petition of the International Fur and Leather Workers Union (CIO), according to an Associated Press dispatch from Washington. Four cents an hour increase were granted to St. Marys plant workers, according to the dispatch.

YOUNG LEGIONNAIRES

An important meeting of the Sons of the American Legion will be held at seven o'clock Friday evening in the Legion Home. All interested in reorganization of a drum and bugle corps are asked to be in attendance. The Sons are also reminded that they are to meet at the Home at 3 p. m. Saturday to participate in the Moose convention parade.

WEAPONS CHARGE

An additional charge of resisting arrest with a deadly weapon was filed against Andrew Wisniewski, of Titusville, after he was taken to Pittsburgh yesterday to face a federal charge of failing to register for the 36-44 year draft February 16, according to an Associated Press dispatch. U. S. Attorney George Mashank said Wisniewski, who barricaded himself in his home Tuesday night and was routed with tear gas, was armed with a pistol. A U. S. commissioner at Meadville held him under \$2,000 bail.

An ultraviolet lamp about the size of an automobile headlight bulb, using only four watts and operating from a 24-volt aircraft battery, is now being used to light up airplane instrument dials coated with fluorescent paint.

Wax is not only produced by bees, but by birds, animals, and many plants.

Federal Use Stamps Here

A supply of the new federal auto use stamps costing \$5.00, which motorists must obtain by July 1st, has been received at the local post office, it was reported today by Postmaster James K. Bell.

The new stamps, good for one year, are gummed on the front, so that they may be pasted on automobile windshields. On the back of the stamp are spaces for writing in the make of automobile, license number and other pertinent information.

In purchasing these stamps, Postmaster Bell said, it is not necessary to send in a card to the revenue department, as was necessary when the first stamps were issued.

NOTES ON THE MOOSE PARADE

Harry Shawkey, who can always be depended upon to do his bit for celebrations in Warren, has donated to the committee, canes for those division chiefs and aides who had not already received them for parades in the past. Thanks, Harry!

Owners of convertible cars have been very generous in offering them to the committee, and as a result nine of them have been secured to transport Moose officials and other distinguished visitors in the parade.

Parade officials held a meeting at the Moose Club last evening when the aides and assistants received last-minute instructions.

Two first aid stations, in charge of experienced Red Cross workers, will be set up to care for emergencies that may occur during the afternoon. One will be at 418 Pennsylvania avenue, west, just below the Carver Hotel, and the other will be in the Motor Lighthouse parking lot.

Bunting and flags have done much to add to the attractiveness of the business section in preparation for the parade. Today's rain didn't appear to have done any harm to the decorations, either.

One of the busiest places in town during the past several days has been the scene of operations for the builders of the floats for the parade. Most of them have been completed and are now being housed in garages about the borough.

Members of Chief Complanter Post No. 135, American Legion, their Auxiliary and Sons and Daughters of the Legion will assemble at the Legion Home between 3 and 3:30 Saturday to take part in the parade. They will comprise the 6th Division; lead by the Warren High school band. The division will later form on Fourth avenue, at Poplar street and members not able to meet at the Legion Home by 3:30 are asked to meet at 4th and Poplar no later than 3:45.

**Student to Assist
At Summer Camp of
Worcester Y.M.C.A.**

Harold W. Swanson, son of Mr. and Mrs. G. G. Swanson, 205 North Irvine street, will serve this summer as assistant camp director of Camp Blanchard, Worcester, Mass., Y. M. C. A. camp which is located at Lake Manchung, Mass., according to information received here today. Mr. Swanson is one of many Springfield College students who will serve as counselors and directors in camps this summer.

At present Mr. Swanson is attending the first course under the accelerated wartime program at Springfield College. It is the first of two special summer sessions and will end July 27.

Mr. Swanson, a sophomore at Springfield College, graduated from Warren High School in 1933. Previous to his attendance at Springfield he was employed for seven years by the New Process Company here. At Springfield this past year he was manager of both the freshman cross country and track teams.

In most cases color schemes for British aircraft companies are selected by the Air Ministry.

Camouflage Of Industry Studied Here

Word has just been received that R. M. Weakley, Director of the Howard Tree Research Laboratories of this city, has been placed in charge of research work in connection with the camouflage of defense industries for the Southern Shade Tree Conference. Mr. Weakley, who served three consecutive terms as President of the Conference, has been connected with the local concern for the past twenty-three years.

The local company, whose peacetime job has been the diagnosing of tree diseases and preservation

of shade and ornamental trees throughout Pennsylvania and New York states, has been busy for the past several months assembling equipment and training men to carry out camouflage of defense industries in this area. Large shade and ornamental trees are most effective camouflage material for breaking angular outlines and absorbing shadows. When used in combination with other camouflage materials, the busy war plant is made to appear from the air as a large country residence or a peaceful farming community.

At the last meeting of the Southern Shade Tree Conference held at Miami, Dr. John C. Creighton of the University of Florida's Department of Entomology, was elected President of the Conference, succeeding Mr. Weakley. Dr. George H. Hepting, Pathologist, Division of Forest Pathology, Asheville, N. C. was elected Vice President and Professor Harold S.

Newins, Director of the School of Forestry, University of Florida, Gainesville, was re-elected Secretary-Treasurer.

A. Robert Thompson, National Park Service, Washington, D. C.; Gomer D. Evans, Alabama Light and Power Company, Birmingham, Alabama; H. J. Howe, City Forester of Baltimore, Maryland; and R. M. Weakley, Director of the Howard Tree Research Laboratories, Warren, Pennsylvania were elected to the Board of Governors for the National Conference.

DON'T SAY NO

Warren County War Chest

TO THE U. S. O.

The following letter was received today from Cpl. Joe Sullivan, who is stationed at Fort Jackson, S. C., and should be of interest to local residents:

"Dear Editor: 'Here is what one former Warren civilian has to say for the U. S. O. 'A better name for it would be Soldiers' Haven because when a soldier goes to town after a hard day in the service he can find many recreations and facilities at his use, all gratis. He can also have the services of a notary public, movies, swimming, reading rooms equipped with the latest magazines and hometown papers. They also have weekly dances and parties and arrange for you to meet the proper people and go to their homes for dinners on Sunday.

"So when you give to the U. S. O. your son and the sons of many other mothers and fathers of America are glad to know the ones behind have not forgotten.

"Cpl. Joe Sullivan, 'Fort Jackson, S. C.'"

Former Student of Local Teacher Now In U. S. Army Band

Friends in Warren and vicinity will be interested in the news that Thomas V. Mistrretta, former Jamestown musician, has been an active member of United States Army Band since he was drafted for service from his position as musical instructor in the Fayetteville, Va., High School.

A former violin pupil of Prof. Phil Santoro, he writes the instructor that Washington, D. C., is an interesting spot in which to be stationed, even though he does not know just when he may report transfer orders to some other post.

He speaks of the normal instrumentation of the Army Band as 84, now enlarged through congressional permission to about 112 pieces; also of the fine new band building just erected at Fort Myer, Va.

His very interesting letter concludes with a plea for musicians, and teachers particularly, to continue with morale building at a time when it is most needed.

TIMES TOPICS

COURSE COMPLETED

Twenty members of a first aid class taught by Benjamin Malec at the Y. W. C. A. activities building, held their final session last evening to complete the standard 20-hour Red Cross course of instruction.

PRESIDENT'S ADDRESS

President Roosevelt's United Nations Day address, to run ten minutes and transmitted from a recording, will be carried at 5:50 p. m. Sunday by both the Blue and MBS networks, according to an Associated Press dispatch.

ENLISTEE IS ILL

Mr. and Mrs. Edgar Peterson, Park street extension, have just received a telegram from army officials at Fort Bragg, N. C., informing them that their son, Albert, who enlisted some months ago, is seriously ill at the camp hospital.

NORRISTOWN GRADUATE

According to word received here from the Norristown High School, Douglas Wade Williams, son of Mrs. Lucile Wade Williams, is being graduated with a class of seniors on Monday, June 15, having completed his first three years of high school work in Warren.

BENEFIT PICTURE

The Starbrick P. T. A. is sponsoring another of its series of benefit moving pictures at 7 and 9 p. m. Friday in the school building and invites the public to enjoy the following bill: Feature, "Utah Trail"; comedy, "I Ski-Love Ski-You Ski"; with an extra added attraction, "Lobster Harvest".

DETOUR BULLETIN

The detour bulletin, issued by the Department of Highways for the period from June 12 to 26, shows no detours in this immediate vicinity. Only construction listed in this district is between Warren and North Warren and at Garland. In both places, traffic is being maintained.

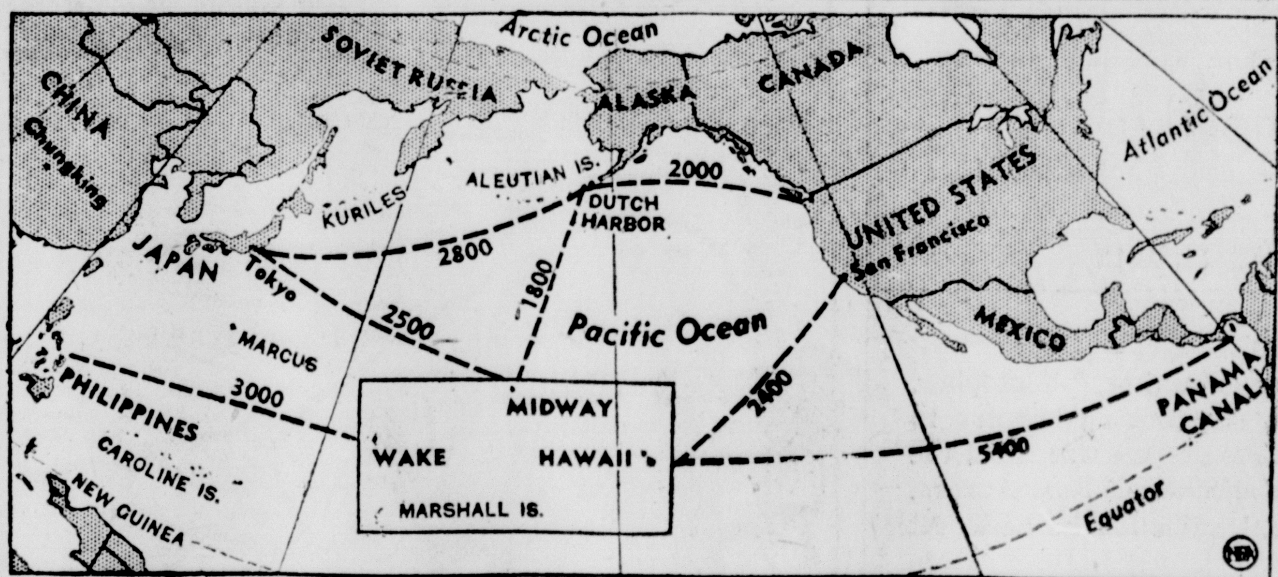

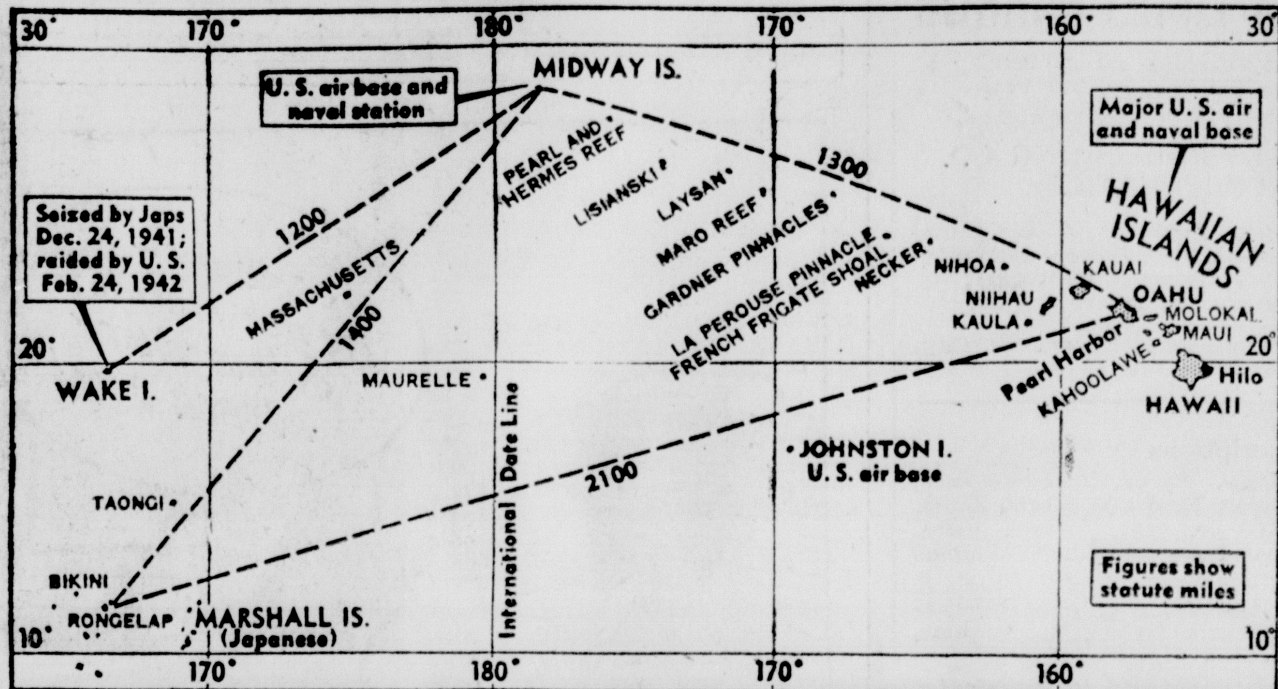

RECEIVES DEGREE

Vincent Bessey, Fourth avenue, has arrived from Greenville College in Illinois, where he was graduated on Monday, receiving his bachelor of arts degree for majors in chemistry and English. He was president of the Writing Club, editor of the college year book and the "G." another annual, during his senior year.

SEMINARY GRADUATE

Mr. and Mrs. L. D. Anderson, of Scandia, are home from Chicago, Ill., where they attended graduation exercises at North Park Seminary and saw their son, Sheldon, receive his degree. Rev. Anderson and his fiancée, Miss Anna Lundquist, of San Francisco, Calif., are spending a few days in the east.

Mid-Ocean Warfront---Hawaii to Wake

This is the mid-Pacific battle arena where U. S. forces are in strong control after victory over the Japs and where action may be renewed if Japs try again to stab at Hawaii via Midway.

LUDLOW

Ludlow, June 5—School days are at an end and the pupils in the grades celebrated Thursday with picnics in the schools and in the Wildcat park.

Pvt. Dan Fox, stationed at Camp Polk, Va., arrived home Thursday morning for a ten day leave with his parents, Mr. and Mrs. J. W. Fox.

A reception was held in honor of Emily Nelson Wednesday evening after graduation at the home of her parents, Mr. and Mrs. George Nelson. Out of town guests were: Mr. and Mrs. Sven Hammersten, Mr. and Mrs. Henry Lawson, of Jamestown, N. Y.; Mrs. Herman Lyle and daughter.

Betty, of Warren; Mr. and Mrs. Paul Bloomquist, of Kane, and other relatives and friends in Ludlow.

Mr. and Mrs. Irvin Youngberg and Mr. and Mrs. Evert Youngberg, of Gowanda, N. Y.; Irvin Stenberg, of Buffalo, N. Y.; Mr. and Mrs. Eddie Betts, of Warren, attended graduation exercises on Wednesday evening and were guests at the home of Mr. and Mrs. Melcher Stenberg, whose twin daughters, Maye and Faye Stenberg, graduated.

A reception was held at the home of Mr. and Mrs. Andrew Bair Wednesday evening after commencement for their daughter, Lucille, and brother, Lester McArthur, who graduated from Ludlow High School. There were 65 in attendance and those attending from out of town were: Mr. and Mrs.

O. H. Baird, Mr. and Mrs. Harry Henderson, Mr. and Mrs. Laverne Nelson, Mr. and Mrs. Leo Rapp, Mr. and Mrs. Ralph Rapp and Anna and Lule, Mrs. George Culbertson, Mrs. William Culbertson and Kingsley, Mrs. Frank Smith, all of Warren; Mrs. Raymond Nelson, Youngsville; Miss Gertrude White, Kinzua; Mr. and Mrs. Robert Swanson, of Kane. The graduates received many nice gifts.

DEATHS BY LIGHTNING

There are approximately 400 deaths by lightning annually. Most of these are in rural districts and open areas where exposure hazard is greatest.

J. R. Havill, Trinidad, Colo., owns a 24-toed Persian cat. Each front foot contains seven toes instead of the usual five.

Planning For Grange Week Program Here

Announcement is made today that during the week of June 22, grange units of Warren county will unite in a "Grange Week" with an officer of Pennsylvania State Grange here to aid in an intensive membership drive. Prior to that time, it is planned that at least one Pomona Grange officer will visit each subordinate group to explain details of the drive.

On Monday evening, June 22, a special open meeting will be held with Diamond Grange in the old Tions school building. Mrs. Florence Price, Pomona lecturer, will have charge of the program and a state officer will be presented as guest speaker. Neighboring units will be asked to participate.

The following evening, Brokenstraw will entertain the state officer at its regular meeting in Youngsville, the Pomona lecturer presenting a part of the program. Thursday evening, there will be no gathering because of the black-out.

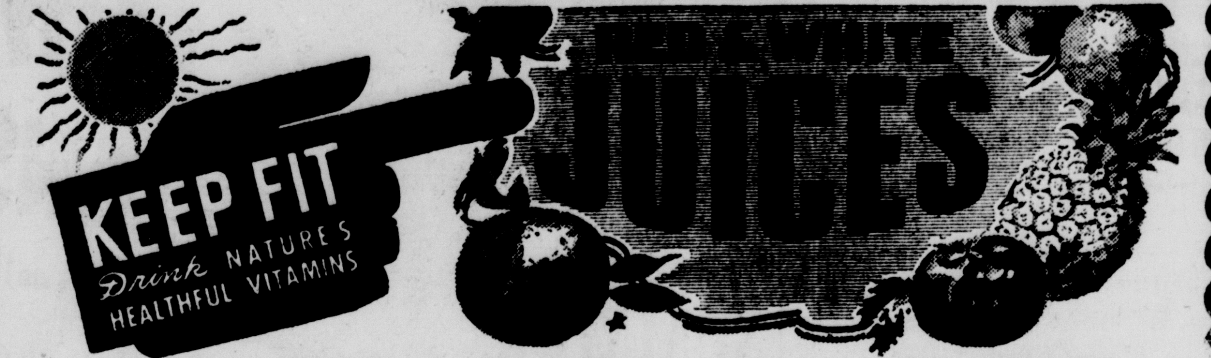

During the entire week, daytime hours will be spent in making personal calls on prospects, with teams from each subordinate. It is requested that every Granger in the county attend his subordinate meeting and one of the special "Grange Week" gatherings. Further details of the plans will be announced later in these columns.

**NATIONAL EDITORIAL
ASSOCIATION**
1942 *Active Member*

MOOSE CREDO
Elbert Hubbard, world-known author, philosopher,
lecturer and publisher, was a constant contributor to
Moose Magazine when the national organ was titled the
Call of the Moose. He was a member of East Aurora,
N. Y., lodge, the only fraternal affiliation he had. At
the request of Director General James J. Davis, Hub-
bard prepared the Moose Credo, as published in the of-
ficial program for the sixth annual convention of the
Western Pennsylvania association, now in convention in
Warren, which we take the liberty of reprinting. It
follows:

I believe in the Gospel of Work, in the Divinity of Good
Health, in the exercise of patience, persistence, economy, and
good-cheer. I believe in my job. I believe in my abilities. I
believe in my colleagues and helpers, and all those who help me
do my work. I even believe in my enemies, because for a part of
the time they tell the truth about me. I believe in the benefit
of difficulties, trials, deprivations, losses nobly met. I believe
in sympathy, in mutual helpfulness, in giving assistance to the
weak, the young, the aged, and all those who need a helping
hand. I believe in getting pay for my work, and in rendering a
just service for what I get. I believe in cooperation, reciprocity,
mutuality. I believe in holding down my job and in getting
ready for a better job. I believe in using and enjoying every
good thing in moderation. I believe in the Brotherhood of Man
and the Solidarity of the Race. I wish to live Here and Now up
to my highest and best, believing that this is the fittest prepa-
ration for a life to come. I believe that righteousness is only
a form of common sense and that to be true, helpful, loyal, and
considerate, is the best way to help myself. I believe in flowers,
gardens, good books, good women, babies, and all beautiful things,
whether expressed in word, deed, or material form. Therefore,
I believe in the LOYAL ORDER OF MOOSE. Amen and Amen.

It will be recalled that Hubbard and his wife perished
when the Lusitania sank off the coast of Ireland,
May 7, 1915, in one of the greatest marine disasters of
history.

START PLANNING NOW
Civilian defense services in Warren and other west-
ern Pennsylvania counties will be put to a crucial test
two weeks from tonight, when the first practice blackout
is staged. So far as possible, actual air raid conditions
will be simulated during the night. For a half-hour a
complete blackout will prevail. Lights will be extin-
guished in the streets and in buildings and homes. During
the remainder of the night lights will have to be
kept shaded so as not to show on the outside.

No one can tell when the sirens will shriek to an-
nounce a real air raid over the area. If all of us do
our bit the night of June 25 we shall be more nearly
ready to deal with a real crisis should one come and the
more nearly ready we are, the less will be the horror and
devastation left behind by the attackers.

Civilian defense is far from play. It is grim business.
The sooner we realize this, the better it will be for all.
Prepare now to do your bit by co-operating in the
fullest degree in everything you are asked to do that
night.

MILESTONE WITHOUT AIRPORTS
Warren citizens who have become so accustomed to
seeing pick-up airmail planes pass over the borough
daily that they now pay little attention to them, will read
with considerable interest the following editorial re-
printed from a recent issue of American Aviation, pub-
lished at Washington, D. C.:

On May 12 All American Aviation, Inc., headed by alert and
hard-working Dick du Pont, celebrated its third anniversary.
During three years of pick-up mail and express service over
some of the nation's most difficult and mountainous terrain, All
American has established an exceptional record of providing
speedy mail service to scores of isolated communities having no
airports or landing fields. Considering the flying conditions
which prevail in western Pennsylvania and in West Virginia, the
record of 94% completed schedules is gratifying.

Using single-engine airplanes on daily schedule, All Ameri-
can has flown 1,712,105 revenue miles in three years and trans-
ported 375,762 pounds of mail. The planes make 92,934 "stops,"
a demonstration itself of actual service rendered to an important
region of the country. Rep. Jennings Randolph of West Virginia,
legislative father of the air pick-up service, can well feel proud
that his experimental project is no longer an experiment but a
proven asset. The future of the air pick-up in this country, in
South and Central America, in northern Canada, China, and
other parts of the world, should indeed be bright with three
years of practical demonstration in one of the world's toughest
proving grounds.

Scientists find ants existed 60 million years ago—
probably started with the first picnic.

T-H-O-U-G-H-T-S
Greater love hath no man than this, that a man lay down his life
for his friends.—John 15:13
A friend is worth all hazards we can run.—Young.

This Salvage Campaign Starts Soon

WASHINGTON IN WARTIME YEARS AGO IN WARREN

WASHINGTON IN WARTIME
(First of Two Articles) By JACK STINNETT
WASHINGTON — For the first time in history, so far as I can find out, this nation is publishing at its own expense a monthly magazine and a twice-monthly "News Letter" for consumption solely in western hemisphere countries outside our own borders.

If this were purely a propa-
ganda effort shoved down the
reading throats of our sister re-
publics, it wouldn't be worth
mentioning. But "En Guardia," a
10-by-14 inch slick paper maga-
zine, filled with beautiful black-
and-white and color photographs,
started nine months ago with a
timid 50,000 circulation, has now
reached 200,000 and the demand
far exceeds the supply. "The
American News Letter" — Circu-
lated for Private Information in
the Western Hemisphere" is no
older but just as much in demand.
It's a four-page, up-to-date
pamphlet, printed in English,
Spanish and Portuguese. The
magazine is printed only in the
two latter languages, although
there has been one edition re-
cently in French, also for Latin
American consumption.

BEHIND these two publications
is an amazing publishing
story.

Under a contract let by Nelson
Rockefeller's Office of Inter-
American Affairs, they are pub-
lished and edited by the Business
Publishers International Corpora-
tion. A Washington editorial staff,
headed by J. C. Stark, works hand
in glove with Frank Jamieson, in
charge of public relations for the
Rockefeller office. These two

staffs produce and edit "En Guar-
dia" and the "News Letter."
Turned into foreign tongues by a
staff of translators, the copy is
sent out in New York, printed in
Philadelphia, and circulated
mostly by airmail to a selected
list of officials, educators and in-
dustrialists in the Latin-Ameri-
can republics.

The first two numbers of
"En Guardia" were put out en-
tirely by the Rockefeller office.
They were something of an ex-
periment. Never before had the
United States spoken to Latin
America through its own publi-
cation. The "experiment" got out
of hand almost immediately. Popu-
larity of the magazine zoomed. It
had to be placed in the hands of a
publishing house.

THERE is one amusing story in
connection with the sudden popu-
larity of "En Guardia" in South
America. Although it has been
sent only to the highest officials
it constantly has been cropping
up on the newstands in South
American cities (there never has
been a copy released from here
for sale) and the "bootleg price"
is purportedly twice that charged
for the most expensive United
States magazine sold commercially
in those countries.

There is talk now that "En
Guardia"—or a little sister under
another name—will be published
in a cheaper edition and circu-
lated (still without cost) to the
hundreds of thousands who ap-
parently are clamoring for it. The
Rockefeller office won't comment,
but off-the-record sources admit
that vast expansion of the biggest
publishing effort of World War II
is under discussion.

(Tomorrow — What's In "En
Guardia")

MAN ABOUT MANHATTAN

By GEORGE TUCKER
NEW YORK—One of the laughs
around town is a series of
telegram exchanges between
Todd Duncan and his son, who is
away at school. Duncan is the
Porgy of "Porgy and Bess" and
after the Gershwin opera was
broadcast recently Todd sat
around expecting to hear a few
words of praise from his son.
Nothing happened. Duncan then
wired his son, inquiring, "Did you
hear Porgy and Bess broadcast?"
Four days later Duncan re-
ceived a telegram from his son
which said, "Yes," and nothing
more. Duncan, meanwhile had
written all about his own tele-
gram to the boy, so he wired back,
"Yes, Sir." And the son re-
plied, "Yes, Sir."

THOUGH she is known on
Broadway chiefly for her per-
formance as the maid Lida in
"Junior Misse," and for her singing
in nightclubs, Paula Laurence is a
talented wire sculptress. She
just takes pieces of wire and bends
them into the shapes of people.
Recently she gave an exhibition of
her art, and among the figures
represented were wire caricatures
of Garbo, Charlie Chaplin, Moss
Hart, and Shirley Temple. There
was also one of herself, and it was
such a perfect likeness that she
was awarded a blue ribbon. It was
Chaplin who declared to his
friends that Paula was "the fun-
niest woman in the world." He fol-

WAR QUIZ

1. A member of the civilian de-
fense corps wears this insignia
showing a red object on a
white triangle which is super-
imposed upon a blue circle. If
a certain act of war, strongly
suggested by Winston
Churchill, occurs, the wearer of
this insignia will have what im-
portant function?

2. Madagascar, now in Brit-
ish hands, is largest island in In-
dian Ocean. Is Andaman, Cey-
lon or Reunion next in size?

3. United States sailors cer-
tainly enjoy the day the eagle
screams. What do they mean?

Answers on Page 6

The 105 mm. howitzer is the
United States' chief medium sized
field piece.

Feature Marconi Floor Show

Featuring a floor show at the Marconi Outing Club this week are the Faber Dancers, six beautiful girls who do outstanding work in their line performance. Their most recent successes were attained at the Club Royale in Detroit and the Palmer House in Chicago. Also appearing at the Marconi Outing Club are two other outstanding acts. They are Terry and Walker, one of the greatest

comedy teams ever to appear here, and Fane and Foster in "musical surprises," a great novelty act. Terry and Walker came here from the swank Carousal Club in Miami, Fla. Fane and Foster appeared at the Brandy Lake Club in Akron, O., before coming to Warren. As usual, Orrie Beebe and his orchestra provide music for the shows and for dancing during the evening.

KINZUA

Kinzua, June 9—Miss Marion Hart from Bakersfield, California, is the guest of her cousins, Mr. and Mrs. Justin Fuller and family.

Mrs. Norman Atkins and infant daughter, who was born last Friday afternoon at the Warren maternity hospital, are reported to be getting along splendidly.

Miss Jane Thompson was in Benrus Point on Saturday where she attended the wedding of a friend.

Mr. and Mrs. Blake Jenkins from Lowville, N. Y., visited relatives here the past week.

Virgil Bentley, who has been attending a school for the blind in Pittsburgh, the past school year, has returned to his home here for the summer vacation.

Mr. and Mrs. Karl Briggs and daughter Dorothy from Akron, Ohio, were recent guests of Mrs. Briggs' brother, William Strong.

Mrs. Bertha Rebban from Rochester, N. Y., is visiting her aunt, Mrs. Edna Marsh.

Mr. and Mrs. Lou Tunney and

Rotarians To Banquet With Farmer Group

The annual Farmer-Rotary banquet will be held in Youngsville next Tuesday at 7:30 p. m. It was announced today by County Agricultural Supervisor C. F. H. Wuesthoff.

A committee of twelve farmers met recently to organize this event and T. R. Sponsler, chairman of the dinner group, has visited the local club and announced the details concerning the affair.

Dr. Carrol D. Champlin, of the Department of Education, will be the main speaker of the evening. His topic will be "Militant Democracy." Dr. Champlin has much experience in industrial education and travel.

In addition to his address, representatives of the Free Farmers organization will also be present to speak in opposition to the activities of John L. Lewis and his United Mine Workers, No. 50, being carried on among farmers.

County farmers are selling tickets to make this year's Farmer-Rotary banquet a huge success as in the past.

BPW Membership Is Planning Birthday Banquet and Program

Warren Business and Professional Women's Club members have completed last minute details for the fourth annual birthday party to be held at the Y. W. C. A. activities building next Monday evening.

The birthday banquet will be served at seven o'clock and it is stated today that any who have not yet made reservations should do so at once by communicating with Miss Ellen Thoreson.

Arrangements for the function are in charge of the executive and program coordination committees and invitations have been extended to all clubs comprising the district; also to members of the club in Janesville, N. Y. In the district are units of Youngville, Corry, Union City, Erie, Cambridge Springs, Meadville, Greenville and Sharon.

Program details have not been divulged, but members and guests are promised varied and interesting entertainment.

PARTIES FOR MISS TAFT

On Tuesday evening, Mrs. Harry Taft was hostess at a shower party honoring her daughter, Dolores, soon to be a bride. Games were played and prizes awarded the following: Faye Gigliotti, Marie Washak, Mary Horning, Marian Pesko and Vera Taft. A social hour followed and Miss Taft was showered with many gifts. Refreshments concluded the evening.

Previously, Mrs. Walter Taft entertained members of the Junior Martha Society at her home for Miss Taft. Prizes for games went to Ann Schriest, Margaret Roth, Violette Hutchins and Hazel Meronick. The honored guest received many lovely gifts and refreshments were served for a pleasant social hour.

FOR MISS MICKELSON

Miss Kay Kunkelman, 311 Pennsylvania avenue, east, entertained with a picnic last evening at Allegheny Forest Park on the Warren-Kinzua road to compliment Mrs. Audrey Mickelson, soon to be a bride. Guests were Lavinia Morganroth, Ruth Johnson, Margaret Hughes, Grace Mitchell, Barbara Jackson, Audrey Cramer and Mrs. Leo Driscoll.

Following the supper, games were enjoyed, with Lavinia Morganroth receiving high prize and the honored guest given a gift from her hostess.

FOR VIOLA GELOTTE

A delightful shower party was held at the National Forge club-house at Irvine to honor Miss Viola Gelotte, a bride of the near future. Hostesses were Mrs. Doris Barton and Miss Hilda Gelotte. Games were played, prizes going to Mrs. Betty Brindis and Margaret Carlson.

Luncheon was served at a late hour from a table attractively appointed in pink and white and centered with peonies. The bride-elect was then complimented with many useful gifts for her future home.

WOMEN'S GOLF

Mrs. Plumer Printz won the women's golf link yesterday at the Country Club and Mrs. J. L. Blair the most tournament. The following are paired for match play to be completed by the end of this week:

First flight, A. Blackman-Banghart, Hove-Blair; consolation, Chapman-McLachlan, Burt-Fisher; second flight, Mrs. W. K. Printz, D. Caldwell-McIntyre; consolation, Johnson-Anderson.

REBEKAH ACTIVITIES

All members of Lady Warren Rebekah Lodge have been asked to meet at the lodge rooms Friday afternoon to assist with the work of cleaning cupboards. The regular six o'clock supper will be served in the evening and lodge will convene at eight o'clock to complete final plans for serving the Moose luncheon on Sunday.

MISSIONARY SOCIETY

The Woman's Missionary Society of the United Brethren church will meet at 7:30 p. m. Friday in the church. Mrs. Evan Callahan will be the leader and urges every member to attend. During the social hour, Mrs. Harold Mader and her committee will serve refreshments.

Y. P. S. MEETING

Sheldon Anderson, former Warren boy who has just completed his seminary studies at North Park College in Chicago, Ill., will be the speaker at the meeting of the Bethlehem Congregational Young People's Society at 8 p. m. Friday. Refreshments will be served and all are invited.

Robertson Pupils In Pleasing Recital

On Tuesday evening, Mrs. William M. Robertson and Miss Jean Robertson presented the following pupils from their piano classes in a recital at the Philomel club-house:

Bobby Bates, Robert Israel, Jimmy Cooney, Emily Robertson, Ann Crossett, Robert Cowden, Mary Elliott, Susan Robertson, Jane Hill, Beth Calderwood, Jordan Overturf, Ann Bannon, Bobby Hampton, Sally Irvine, Nancy Blair, Carolyn Cowden, Meg Lewis, Cynthia Calderwood, John Lewis, Dick Blair, John Robertson, Bill Clinger, Jean Ryberg, Jean Crosssett, Betsy Conaway, Bobby Hubbs, Sally Smith, Dora Messner, Harry Lewis, Jean McLaren, John Knapp, Dorothy Bosin, Ann Newmaker, Janet Beardsley and Lulu May Donze.

The audience was noteworthy for its quiet attentiveness, attributable, at least in part, to the ease, charm and finish of the playing of many of the students and to the zesty quality of the program material. The annual recital carried its customary air of festivity, with peonies and roses decorating the beautiful music room and with cool refreshments served downstairs at the close of the program.

No matter how long the war lasts, the next new cars to be manufactured will be 1942 models. They will be followed as soon as practicable by improved versions.

EXTENDS A HEARTY WELCOME TO ALL MOOSE

To Release Flow Of LIVER BILE

Do This Every Morning for 30 Days

Get a bottle of Kruschen Salts tonight. Start right in tomorrow morning and take as much as will fit on a dime in a glass of water (hot or cold) half an hour before breakfast or in your morning cup of tea or coffee and keep this up for 30 days. Kruschen taken this way helps relieve such symptoms as sick headache, bowel sluggishness and so-called bilious indigestion when due to insufficient flow of bile from the gall-bladder. You can get Kruschen, a famous English formula made in the U. S. A., at any drug store. You must be satisfied or money back.

CONSTIPATION SUFFERERS Note: For an occasional cathartic or purgative, to relieve common constipation, we believe there is nothing better than quick-acting Kruschen in larger doses—try it according to directions on the bottle.

Distress of Getting Up Nights

Don't let your system All up with poison your kidneys should eliminate. It often makes you get up nights and may bring serious illness. Thompson's Borsoma Tablets aid in flushing out your kidneys, help strengthen your bladder. They are good for stomach, liver and bowels. Insist up on Thompson's Borsoma Tablets. 50c at your drug store. (adv.)

Here's a sensible way TO GET OUT OF DEBT

See Personal for a loan of \$10 to \$250 or more. Use the money to pay off your debts right away. Then repay Personal in monthly amounts you can afford comfortably. A loan to pay off creditors doesn't put you deeper into debt. It simply adjusts to a cash basis the debts you already have. We don't believe that folks should borrow unless a loan is the best solution to their problem. If it is, Personal makes loans on signature, furniture, or auto. Outsiders not involved. Come in or phone us today.

Many Appearing In Spring Presentation At The Conservatory

The Warren Conservatory of Music invites the public to attend its spring recital, to be presented in the auditorium at 8:30 p. m. Saturday, when both vocal and instrumental selections will be included in a fine program.

Harold Knappenberger, Jr., will first be heard in the Tchaikowski Andante Cantabile, appearing later in Mozart's Fantasia in D Minor and the Deane Taylor Prelude, Opus 5, No. 1, for piano, and James Shortt, Jr., playing the Paganini-Kreiser Praeludium and Allegro for violin.

Bonny Johnson, Ruth Satterlund and Roger Webster will sing Bizet's opera "Carmen" and Mary Ann Lundmark will be heard with LeRoy Swanson, of Jamestown, N. Y., in a duet for soprano and tenor.

Puccini's "La Boheme" in the opera from which the second group of vocal offerings will be taken, Martha Hultberg, LeRoy Swanson and Constance Day to be heard in solos.

J. S. Bach's pleasing "Peasant Cantata" will provide the next group of excerpts, with incidental solos by Margaret Drivas, Virginia Rae Irwin, Gloria Hausman and Spencer Swanson.

Others comprising the full ensemble personnel are Ruth Lindquist, Joyce Ramsdell, Mary Jean Kolster, Margaret Bathurst, Rachel Brian, Franklin Burman, Harold Knappenberger, Jr., Dean Nelson, James Shortt, Jr., and Norman Shoaff.

Well Known Artists In Sunday Musicales

The choir of the First United Brethren church announces that it is sponsoring an unusually enjoyable event, an afternoon musicale, on Sunday, to start at three o'clock.

At that time the choristers will present as guest artists Marcus Naylor, organist, and Elizabeth Naylor, soprano, assisted by the following young school instrumentalists: Harold Knappenberger, Jr., Charles Lucie, David Leidig and Nenna Glassman.

Mr. and Mrs. Naylor are both too well known as local recitalists to need introduction to Warren music lovers and the young school musicians have gained an enviable reputation for performance during the school year just concluded.

All interested friends are extended a cordial invitation to share in the very pleasing program arranged.

The United States Army Medical Library is the largest working medical library in the world.

Now the Nation

Turns Away from Buying "On Time."

Each year, millions of dollars worth of merchandise were sold "on time"—bought against income hoped for, but as yet unearned. • Now we have returned, as a nation, to buying for cash. • Penney stores have never sold anything "on time." Our cash policy is one of the foundation stones of our business!

PENNEY'S

CLOROX... "FIRST AID" IN HOME HEALTH DEFENSE!

AN IMPORTANT problem facing America's leaders today is greater health protection in every home. For healthier families mean higher morale... increased efficiency... a stronger nation. One of the simplest yet most effective health measures is to make household "danger zones" Clorox-clean. Let Clorox provide "first aid" in the health defense of your home... simply follow directions on the Clorox label.

WHY TAKE CHANCES? "When it's CLOROX-CLEAN it's hygienically clean!"

Clorox adds sparkle, freshness, and more important, sanitary cleanliness in kitchens! Germs in kitchens are easily transmitted, especially on dishes and glassware. That's why it is important to use Clorox regularly for disinfecting dishes, glassware, refrigerators, drainboards, sinks, dishcloths, dish towels and other "danger zones." Clorox deodorizes as it disinfects, removes stains too.

Bathrooms, too, need regular Clorox-cleansing! Washbasins, bathtubs, toilet bowls may look clean, yet harbor millions of dangerous germs. Clorox disinfects, deodorizes, removes stains from tile, enamel, porcelain, linoleum, wood. Clorox has exclusive qualities... it is free from caustic, intensified in germicidal action... is effective yet gentle in its many personal uses.

CLOROX is an important aid in Public Health Defense as well as in Home Health Defense! Clorox is used as a precaution against bacterial contamination of drinking water; for sanitation in restaurants, soda fountains, taverns, dairies and other food processing plants; in diaper laundries; for preparation of surgical solutions and for general sanitary uses in hospitals.

ROSENQUIST-CLANCY MARRIAGE IS TOLD

Mrs. Mae Clancy, 609 Fourth avenue, announces the marriage of her daughter, Mary Elizabeth, to Leonard Allan Rosenquist, son of Mr. and Mrs. Arvid Rosenquist, 1121 Fourth avenue. The ceremony was performed at 8 p. m. May 29 in St. Joseph's rectory by Father William J. Moore, with the bride's sister, Miss Billie Clancy, and Howard Rosenquist as attendants. A reception followed at the bride's home.

The couple have returned from a wedding trip to New York and northwestern Pennsylvania, points and Mrs. Rosenquist expects to join her husband soon in Sewickley, where he has employment.

FITZGERALD-BROWNELL MARRIAGE ANNOUNCED

L. E. Brownell, 316 Onida avenue, announces the marriage of his daughter, Geraldine, to Edward R. Fitzgerald, son of Mr. and Mrs. M. C. Fitzgerald, also of Warren. The ceremony was performed Thursday afternoon, June 4, at four o'clock in Grace Methodist church, Rev. Harold Knappenberger officiating. Attendants were the bride's sister, Miss Jeanette Brownell, and the bridegroom's brother, Merle Fitzgerald. The bride wore white accessories with a street frock of pink and a shoulder corsage of yellow rosebuds and her sister wore blue, white accessories and pink rosebud shoulder corsage. After a wedding trip to Canada,

"SALADA" TEA

NOTICE CHANGE OF INTEREST RATE

We hereby give notice that on and after July 1, 1942, the maximum rate of interest to be paid on savings accounts and time deposits will be one per cent. per annum.

Because of the continuing decline in available satisfactory loans, increasing taxation, the low income return on U. S. Government and other high grade securities, together with the fact that a large portion of a bank's funds must be kept in cash and on deposit with the Reserve Banks, we believe that a rate of 1% is as large as can be consistently paid under present conditions.

This rate has already been established in many communities of this section and throughout the country, and we take the action at this time in the belief that it is a conservative banking policy.

Clarendon State Bank

London And Moscow Sign Aid Treaty

(From Page One)

The Hitler regime or any German government which fails to renounce aggression.

Japan was not mentioned in the treaty.

Eden said that Molotov had arrived in London May 21 and the 20-year agreement was signed five days later, just before Molotov left for the United States.

Molotov agreed to the treaty on the evening of May 25 after three days of discussion.

The treaty was signed by Eden and Molotov with a gold mounted fountain pen belonging to Prime Minister Winston Churchill.

Britain and Russia agreed to render one another "all possible economic assistance after the war" and to avoid participation in any alliance directed against the other contracting power.

Molotov has "now got back to Moscow," Eden said.

In the reconstruction of Europe, the two nations agreed to be guided by the principles of "not seeking territorial aggrandizement for themselves" and "not interfering in the internal affairs of other states," Eden said.

The treaty negotiations were accompanied by a series of military discussions in which the "urgent need" of a European front, although not necessarily this year, was agreed upon.

Washington, June 11—(P)—The formal welcome, the big parties and the flow of public oratory which usually accompany the visits of noted foreigners to Washington were distinguished by their absence in the case of Vyacheslav Molotov, the Russian foreign commissar.

He came quietly for his talks

Three Youths Are Killed By Freight Train

(From Page One)

The Rock boy died in Allegheny Valley Hospital, Tarentum, 12 hours after the tragedy. Kolenko died a half hour after the accident in the hospital of the nearby Vandergrift plant of the United Engineering and Foundry Company. Kozlowski was killed instantly.

Sergeant J. D. Davies of the Pennsylvania Railroad police, said the boys were struck by a west-bound freight while an eastbound train was passing on another track.

Soldier Pay Bill Believed Near Passage

(From Page One)

not to accept the original senate proposal of \$42 a month.

Since the senate finally instructed its members of a joint conference committee to accept the \$50 figure, the formal approval of that body was considered certain.

A third effort to send the bill back to conference failed in the house before yesterday's overwhelming yeas were taken.

Rep. Charles I. Faddis (D-Pa.) objected to a senate provision boosting the retirement pay of officers removed from the service, he said, for unfitness and also opposed making the legislation permanent.

The legislation boosts the base pay of privates, corporals, sergeants and second lieutenants in the army; apprentice seamen, second class seamen, first class seamen, petty officers and ensigns in the navy, and corresponding ranks in other service branches, such as the marine corps, the coast guard, the public health service and the coast and geodetic survey.

Continental United States has 1009 lepers.

Moose Delegates Set for the Formal Opening of Convention

(From Page One)

Due to arrive tomorrow are U. S. Senator James J. Davis, Gov. Neely and other outstanding members of the Moose organization.

Plans also are going forward for the conference of the Women of the Moose, which will be held at the Ellis Home on Saturday and Sunday. Principal session of the women's organization will be held Sunday afternoon, with a seminar at 2 p. m.

More military planes will be built during 1942 than were manufactured between the time the first military plane was delivered to the Army in 1909 and the first of the present year.

Mr. and Mrs. Stewart Tate and family spent the weekend at their camp here.

L. T. Davidson made a visit at the home of his daughter, Mrs. Lloyd Smith and family during last week.

Mr. Henry Travis, who has been ill recently in Salamanca at the home of his niece, Mrs. Meda Van Brunt, is home again.

Miss Ethel Coy is visiting Bradford relatives.

The Frank Coy family visited Bradford relatives during the week end.

Mr. and Mrs. Glenn Pettitt and four children visited the former's parents, Mr. and Mrs. Bennett

Obituary

GEORGE A. SCHIELER

Funeral services in memory of George A. Schieler were held at 2:30 p. m. Wednesday at the Lutz Funeral Home, conducted by Dr. Harold C. Warren, pastor of the First Presbyterian church. Interment was made in Oakland cemetery, with the following acting as bearers: Donald, Gail and Harold Dickerson, Hartwell Willey, Walter Anderegg and Walter Stanton.

Those who came from out of town to attend the rites were Mrs. Mary Schieler, Mrs. Mildred Gustafson, Eric; Jacob Schieler, Pleasantville; Mr. and Mrs. Joseph Schieler, Mr. and Mrs. Fred Fay, Clarendon; Mrs. William Hopkins, Pleasantville.

MRS. BERTHA CHIPMAN

Youngville, June 11—Mrs. Bertha Chipman, well known local resident, passed away this morning at the age of 65 years. She had been in failing health for some time.

Surviving are a son, Harold Chipman, of this place; a sister and a brother, Mrs. R. K. Sullivan and Fred Haas, both of Jamestown, N. Y. Her husband, Grant Chipman, preceded her in death some years ago.

Funeral services are to be held from the family home at 2:30 p. m. Saturday.

C. A. BAUER

C. A. Bauer, 82 years old, died at the home of his son, the Rev. Father Alfred Bauer, at Mt. Jewett on Tuesday night after a heart attack.

He is survived by two sons, Father Bauer, of Mt. Jewett, and Frank Bauer, of Long Island, N. Y.; two daughters, Miss Margaret Bauer, of Mt. Jewett, and Mrs. Peter Schearer, of Long Island.

Funeral services will be held Friday morning at nine o'clock with a requiem high mass in St. Joseph's church at Mt. Jewett. Interment will take place in Long Island, N. Y.

Nazi Claims Of Capture Unconfirmed

(From Page One)

The German armies again had taken the initiative in the battle-scarred sector of Kharkov, Russia's "Pittsburgh" in the Ukraine, 400 miles south of Moscow.

In aerial warfare, RAF night raiders attacked German air-dromes in the low countries and military targets in Nazi-occupied France. Bad weather prevented long-range forays against Germany for the second night in a row.

Pettitt of Niobe during the week end.

Mrs. Glenn Pettitt had the misfortune to burn her foot quite severely last Wednesday.

Miss Florence Cobb, who is employed in Corry is spending a few days as guest of local relatives; also Salamanca and Bradford relatives.

The Glenn Pettitt family recently visited Mrs. Elizabeth Haskell of Westfield, N. Y.

Dr. O. S. Hannum and Miss Mafrud Burroughs, administered toxoid again in the local school to eleven pupils on Wednesday last.

Will Goetz of Bradford was a business visitor here last week.

(From Page One)

tice that he would move to knock out a \$280,000,000 allotment designed to provide WPA employment for an average of 400,000 persons during the fiscal year beginning July 1.

In the opening skirmish on the floor yesterday, WPA critics denounced the organization as inefficient, unnecessary and wasteful, with Taber declaring that the request for funds came at a time "when any man or woman willing to work can find employment."

He contended that approval of the appropriation would serve but one purpose—"x x x so that the misfits who have made a mess of the WPA over the years may continue on the public payroll."

From Rep. Robert F. Rich (R-Pa.) came the contention that the allotment contained funds for recreation, sewing, and vocational programs. "Goodness gracious," he exclaimed, "let them get out and earn an honest dollar."

Fireman Dies In Blaze At Philadelphia

(From Page One)

watching the blaze rushed into the basement and helped carry out firemen injured by the explosion.

Fire Chief Edward Kerr, who estimated damage at \$10,000, said the fire started while two workmen were moving a 100-gallon drum of paint dryer in the cellar. A spark, he said, could have caused the blaze.

Germans Pin This Warning on Their Radios

55 60 70 80 100 120 150 170

This card was found when the Drottningholm docked in New York with diplomats and others from axis nations. Evidently brought back as a souvenir, the card is the type given Germans to pin on their radios as a reminder not to listen to foreign broadcasts. It reads: "Think this over—Listening in on foreign broadcasts is a crime against the national security of our people. By order of the fuhrer it will be punishable by a long prison term."

COLE HILL

Cole Hill, June 9—Mr. and Mrs. John Platko and children, Patty and Paul, of Custer City, were Sunday dinner guests here at the home of Frank Alibozek and family.

Miss Nellie Wentworth was a Warren visitor Tuesday.

The Cole Hill school closed here Thursday, June 4th. The teacher, Miss Margaret Dyer, of Youngsville, treated her pupils to ice cream, cake, cookies and coffee.

Ralph and Harry Pike, of Tonawanda, were Sunday visitors here.

Oren Eastman is working in Corry.

Miss Pauline Bednar, who works in Corry, spent the weekend at her home here.

Mr. and Mrs. Wilbur Camp, of Sherman, N. Y., were the Sunday guests of relatives here.

Several deer have been seen here lately feeding on the farmers' oats. Miss Mary Bodnar, who is working in Corry, spent the weekend at her home here.

Mr. and Mrs. Charles Benedict and children, of Ross Hill, were Sunday guests here at the home of her parents, Mr. and Mrs. Glenn Eastman.

Mr. and Mrs. George Hannah, of Irvine, were Sunday guests of relatives here.

William Crippen, the Cole Hill fire tower watchman, has left the fire tower for the summer and gone to his farm work on York Hill.

LANDER

Lander, June 8—Mrs. Christine Garrison, of Dumont, N. J., is a house guest of Mrs. Carrie Barkman.

Mrs. Dorothy Morrison, of Youngstown, Ohio, attended commencement here, spending two days with her parents, Mr. and Mrs. Carl Rowley.

Mr. and Mrs. Roy Putnam and daughter Grace, of Erie, spent Memorial Day with relatives here.

Rev. and Mrs. MacLynn Lindstrom, of New Wilmington, Pa., and Mrs. Belle Harriman of Fairport, Maine, were guests of Mr. and Mrs. J. W. Swanson last week. Rev. Lindstrom was the speaker.

Two Overcome By Fumes Are Better Today

Two persons are recovering today from the effects of fumes, said to have come from a washing fluid being used in a closed cellar, with which they were overcome about 11 o'clock last night.

They are Emil Rosentrotter and his sister-in-law, Mrs. Lillian Rosentrotter, both of 518 Lexington avenue. The former was discharged from the Warren General Hospital today and the latter will leave tomorrow, it was stated.

The accident occurred at the home of Mr. and Mrs. Emmons Wade, Market street extension. According to reports, the two people, who are employed by the Wades, had gone to the house to wash some curtains belong to Mrs. Rosentrotter. She is reported to have used an entire bottle of washing fluid in the washing machine.

Mr. Rosentrotter is reported to have gone to the cellar and found his sister-in-law overcome. He called Dr. F. G. Haines and when he went back to the assistance of the woman, Mr. Rosentrotter was overcome. The physician responded to the call and he, too, became affected by the fumes, although he was able to get to a telephone and summon another doctor and the Lutz ambulance. Dr. Haines, who was not completely overcome, soon recovered and is reported to have suffered no ill effects.

BOYS IN THE SERVICE

Cpl. Robert W. Greer has returned to Camp Livingston, La., after a 115-day furlough with relatives and friends in Warren.

Private First Class John "Fred" Benner, of Tidouche, who is in the U. S. Marine Corps, left Saturday after a short visit with his mother and family in Tidouche.

Sgt. Ralph Christy, Cpl. Raymond L. Myers and Private First Class George F. Miller have returned to Camp Livingston, La., after spending a 15-day furlough with their families in Tidouche.

Pvt. Richard Kerven, son of Mr. and Mrs. A. J. Kerven, 306 Madison avenue, has just finished a three-months radio training course at Fort Benning, Ga., and has been transferred to Fort Lewis, Wash.

Sgt. John C. Regner, stationed at Bolling Field, is home on furlough to visit his parents and friends.

Almost 8,000,000 Americans living in more than 48,000 communities in the U. S. are entirely dependent upon highway transportation not only for food supplies, but for movement of all freight and passengers.

For Feet That Ache Burn And Perspire

Do this: Get a small bottle of MOORE'S EMOID Ointment and apply as directions advise. Men and women on their feet all day would give anything for real ease and comfort. That's exactly what you get with MOORE'S EMOID OIL, Deodorant and economical. All druggists.

Letters to the Editor

"Editor, 'Times-Mirror,' Warren, Pa., 'Dear Sir:

"I wish to thank my friends and neighbors for the many greetings, beautiful birthday cards, gifts of flowers, letters, telephone calls and special letters from California, the eastern states and Florida extending congratulations for my 51st birthday, June 9th.

"Thank you. I have been a subscriber to the Times-Mirror since the Times bought the Mirror.

"Mrs. J. B. Campbell, '350 Fifth Ave., E."

Due to national time rationing, long-trip travel by passenger automobile has dropped 40 per cent in the U. S.

Bear Lake

Bear Lake, June 8—Miss Jean Manwaring who is attending school at Edinboro is home on a vacation.

Will Evans has sold his property on West Greeley street to Walter Kelley.

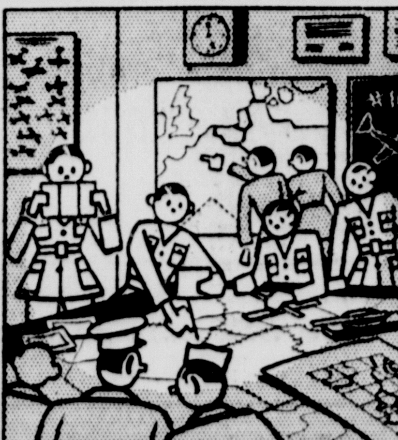

James Cooper who formerly lived at Bear Lake, but for some time has lived near Meadville died and was brought back to Bear Lake for burial a few days ago.

Carl Brown, son of Charles Brown, who lived in Celoron for some years but when younger lived near Bear Lake, died a few

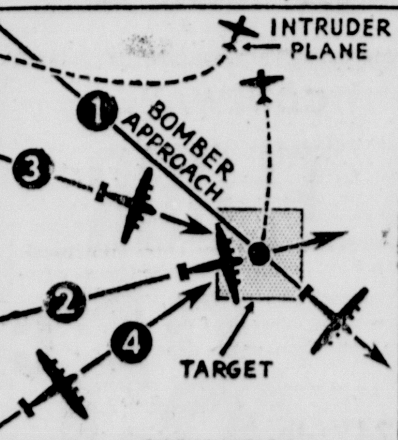

Allied Aerial Razzle-Dazzle

Wide World Features

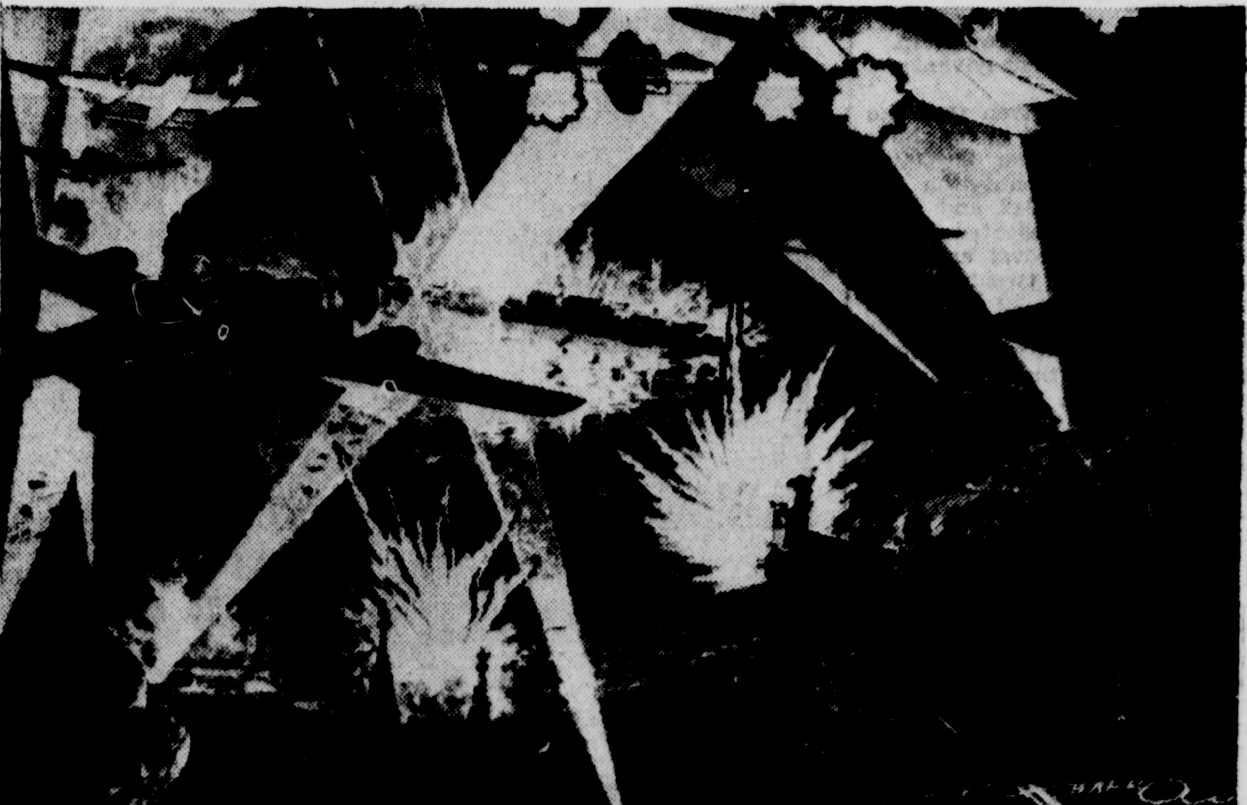

MOST amazing part of the mass air raids already staged and planned by the United Nations over occupied Europe is the planning, coordination and use of new tactics involved. The British have promised eventual raids by 3,000 planes. These sketches show how and what it means to send 18,000 fliers aloft on their pilgrimage of destruction. It's a super-dispatching job, made more difficult as the number of squadrons is increased. Significant is the large role played by women auxiliary workers on the ground.

PLANNING: two squadrons take off from each of 120 air bases on exact timetable; 20 workers are needed per flier.

TACTICS: bomber comes in at different angle every few seconds, "intruder" fighters lure away defending planes.

"CITY BY CITY" is Churchill's grim description of how mass destruction will be visited upon Germany from the sky. Recent raids in which 3,000 tons of bombs were dropped far surpassed in intensity greatest Nazi blitz, over London, when 600 tons were loosed in 24 hours. Average load of all four- and two-engined bombers is two tons.

Big planes carry 7 men, smaller bombers 5. In sketch, artist visualizes fearsome awe of air war. Planning timetable for sending planes over target without interruption or confusion entails use of every agency engaged in total war and consideration of such things as weather, distance and varying plane speeds.

Youngsville Group Holds Fine Meeting

Youngsville, June 10—The June meeting of the Business and Professional Women's Club met at the home of Mrs. Lola Walters on Monday evening.

The president, Miss Edna Thompson, gave a most interesting report of the recent state convention at Indiana, Pa., which she attended.

The chairman of the standing committees were announced for the year as follows: Education, Miss Gertrude Ostrowski; finance, Mrs. Rose Huber; health, Miss Van Sickle; international relations, Mrs. Nellie Anderson; club hostess, Mrs. Elizabeth Canfield; legislation, Miss Golda Ann Hill; program coordination, Mrs. Dorothy Crandall; public affairs, Mrs. Gladys Swanson; publicity, Miss Nellie Knapp; victory project, Mrs. Violet Pollard; social life, Miss Mildred Mead; social service, Mrs. Edith Young; transportation, Mrs. Edith Getts; music, Miss Lilly Wood.

The next meeting will be a picnic on the Island Park, July 13, with Mrs. Dorothy Crandall, Mrs. Hazel Hale and Miss Edna Thompson in charge of refreshments.

Miss Golda Ann Hill in charge of games and Mrs. Gladys Swanson in charge of invitations out side of club members.

BORO COUNCIL

An adjourned regular meeting of the Youngsville borough council was held Monday evening with Burgess Kay, and all council members present.

After the regular routine business it was decided to have a phone installed in Fire Chief L. L. Johnson's home for use of the department. It was also decided to

oil all earthen streets as soon as it is possible, and to make repairs to black top streets as soon as material is available.

The secretary was instructed to order the chemical laboratory equipment for use in the disposal plant.

A resolution was passed ordering all sewer assessments to be paid on or before June 26, 1942, and to those not paid by that date a municipal lien will be taken against that property. The secretary was instructed to notify all delinquent water customers that their services would be discontinued on June 22, 1942 if no payments were made on or before that date.

UNUSUAL PROGRAM

The Student League of Many Nations from the Practical Training School, of Binghamton, N. Y., held a program at the United Brethren church on Monday evening. There were eighteen of these young people, who traveled in a large bus. They were at the church for dinner preceding their program of talks and musical numbers. It was well attended.

LOCALS

Edwin Hayes, from Camp Allen, Norfolk, Va., spent the week-end with his mother, Mrs. Mary Hayes. The American Legion Auxiliary held a tureen dinner at one o'clock on Tuesday at the home of Mrs. Ford Osgood at Pittsfield. A report of the nominating committee was received. The election of officers will be held June 23. At that time Miss Augusta Johnson and Miss Ora Schnell will be the hostesses.

Mr. and Mrs. Cyril Anderson and daughter moved to Jamestown on Wednesday of this week from College street. Mr. Anderson will continue his work at the Forge, commencing each day.

The Many Trails Riding club will meet Sunday afternoon for a tureen picnic at the riding club house near East Branch.

NOTICE TO BIDDERS

For the Grading, Graveling and Drainage of Grant St., Tidoute, Pa. Specifications as follows:—1165 linear feet of grading, 16 feet wide, gravel base rolled to 6 inches with not less than 5 ton roller, 50 feet of 15 inch copper steel or cement pipe for drainage in place, 1165 feet stone curbing in place. Excavating consists of 340 cubic yards and also 300 linear feet of side walk grade, 4 feet wide, excavation 75 cubic yards.

Bids must be submitted on or before 7 p. m. June 22, 1942.

Tidoute Borough Council reserves the right to accept or reject any or all bids.

Tidoute Borough Council, Vera C. Morris, Boro Sec'y.

This Handsome Flag

IN TIME FOR FLAG DAY

Excerpts From the President's Proclamation, Washington, May 9, 1942

"Now therefore, I, Franklin D. Roosevelt, President of the United States of America, do hereby ask that on Flag Day, June 14th, 1942, that the people of the United States fly the American Flag from their homes in honor of the nation's mothers and their valiant sons in service."

HERE'S HOW TO GET YOUR FLAG

To obtain this magnificent flag, all you have to do is clip the coupon which appears in today's paper and take it... with only \$1.19... to the address on the coupon and receive your richly colored "Old Glory."

Now—of all times—it is vital that every American show his colors... Be the first in your neighborhood to display America's banner of freedom. Clip the coupon—get your flag today!

Size 3x5 feet. Made of fine durable cotton bunting.

*Tell The World You're Glad
That You're An American*

1917---ARRIVING "OVER THERE"---1942

Twenty-five years after the day in May, 1917, that Gen. John J. "Black Jack" Pershing sailed with a vanguard of U. S. troops for the war in Europe, American fighting men are arriving in increasing numbers on fronts from Northern Ireland to Australia. The pictures show General Pershing coming down the gangplank at a European port and U. S. soldiers of 1942 disembarking in Australia.

Forge Gets Early Lead, Coasts to Win Over Hospital

Red Hajnik and Massa Hit Home Runs; First Inning Decides Issue

HIGHLIGHTS

FIELDING GEM—Joe Massa's catch over shoulder deep in centerfield in first inning and running catch in right field in fourth heat. Massa made seven nice putouts during contest.

BEST HIT—Red Hajnik's first inning home run which accounted for two runs for Forge. It was Sunset League's first circuit blow of season.

DOC CRAMER GETS 2000TH HIT AT N. Y.

BY JUDSON BAILEY

Associated Press Sports Writer

Step by step the present stars of the major leagues are finding their way into the hallowed company of baseball's old-time all-time standouts.

The latest to earn a place on the permanent honor roll is Roger (Doc) Cramer, the Detroit Tigers' outfielder, who made three hits yesterday to lift his lifetime total to 2,001, a level that has been reached by only seven other players still active in the major leagues.

Dick Bartell of the New York Giants entered the 2,000 hit class in April and Mel Ott, Paul and Lloyd Waner, Jimmy Fox, Joe Cronin and Charley Gehringer already are there. Joe Medwick and Billy Herman of Brooklyn have a good chance of qualifying near the end of the season.

Cramer's achievement in his 14th year in the American League called attention to Paul (Big Poison) Waner, who in his 17th season, needs only five hits to total 3,000. Including Cramer, just 77 batters in the history of the major leagues have passed 2,000 hits, but only six have reached Waner's goal.

Everyone that made it now is memorialized in baseball's hall of fame at Cooperstown—Ty Cobb, Tris Speaker, Honus Wagner, Eddie Collins, Nap Lajoie and Cap Anson.

The three hits by Cramer were important individually, but they had nothing to do with the Tigers beating the World Champions, 4-1. The blows that counted in that battle were a home run in the fifth by Jim Bloodworth and another by Ned Harris with two on in the 11th.

Paul Waner notched his 2,995th hit last night, but his Boston mates collected only three others off Rip Sewell, who pitched the Pittsburgh Pirates to a 3-0 shutout over the Braves.

It was the sixth straight win in the longest streak of the season for the Cubs and the ninth straight setback for the Braves. Sewell drove in two of the runs by singling with the bases loaded.

In another night contest, the New York Giants climbed into a third place tie in the National League with Cincinnati by beating the Reds, 6-1. Their fifth straight victory over the Reds, who lost ten straight games despite some of the finest hurling of the season, may be the 1942 "six" pitcher of the big leagues but he isn't letting it get him down.

"Am I down-hearted? No," smiled the man who pitched two-hit night against the Athletics Tuesday night—and took a 2-0 licking. "It's good to break my way soon."

He said, although two of his 10 losses were 1-0 games, two were 2-1 and one was 4-3.

"In baseball, the breaks generally even up," he insisted although two of his defeats came in the ninth inning when he needed only one more strike on the batter to win.

"Everything seems to go wrong when you're losing," "x x x Why I even hit two balls myself that would have won two games for me."

"I socked one in Cleveland that was good for a homer and it curved three inches foul. And in one game I dropped to Philadelphia, I banged one off Phil Marchildon, the hardest I ever hit in my life, and this fellow Valo (Elmer Valo, A's outfielder), stumbled into it after wandering around like a woozy weasel."

"When it isn't in the books to win, you can't win. But some day I'll pitch and the opponents will hit a million line drives right at some of our men and I'll win, 1-0, and then they'll say Smith's a great pitcher."

6, by Caffery 4. Wild pitches—Hines, one, Caffery, one. Passed ball—Rosequist, one. Hit by pitcher—By Black (Burns). Off—Gaffery, 3 in 3 innings; off Caffery 1 in 2 innings. Left on bases—Forge 11, Hospital 5. Earned runs—Forge 3, Hospital 1. Unpirated—Harry Wooster, plate; Mike Blech, bases. Official scorer—Floyd Passinger, 2nd. Crowd—213 (paid). Time of game—2:10.

SPORTS SPATTERINGS

One of the best service teams in the country is the Fort Niagara crew which was to have been at Wilder Field, Irvine, last weekend but couldn't make it due to emergency orders keeping them at the fort. However, Business Manager Jimmy Kanne of the Forgers is negotiating for a possible rescheduling of the game at a later date, and it may be transported onto Russell Field. Meanwhile, the St. Phillips semi-pros, winners of four successive pennants in a fast west side sand lot league in Pittsburgh will engage the Irvine outfit this Sunday. Game time is four o'clock, the new time set for all Sunday contests in order that Forge workers coming off the day shifts at three o'clock may have an opportunity to see the ball game. There are the makings for two fine ball clubs in Stoneham and the Eagles this year, and given the aid of a helping hand from some veterans in the community these youngsters could develop very quickly into a couple of outfits that would make any area club hump. Right now the biggest weakness is hitting, but they're all enthusiastic kids, willing to learn—if there's a teacher in the crowd. Jim Harding is a good prospect around the initial sack. He learned some valuable tricks of the trade from High School Baseball Coach J. E. Leidig, but outside of these helpful hints has had the guidance of very few other men with experience behind them. Nevertheless, no one fools around first base with Jim playing for the opposing side.

In 1935 the younger ball players of the community enjoyed a kid's league, namely the junior loop, in which they started on the ground floor and learned to play baseball. For several summers prior to that the league was highly popular and at one time aroused so much interest that four clubs secured the backing of local lodges for uniforms. Today, however, the little fellows have lost their liberty. We mean boys under 14 years of age, mainly, who don't even take to softball as it because kids no longer love to take their out at a ball, and slide through the dirt into base after base. That, next to finishing, has long been the favorite summertime recreation. But organization is what these youngsters need most, some men who have enough time and patience to help them get started in either baseball or softball once again. They don't have to have uniforms, and they shouldn't have to belong to any organization in order to be eligible to play, but moreover should need only to prove they are anxious to play and will be good team members once a club is formed. This spring we conversed with a few local gentlemen who seemed ready to give these youngsters a boost. They've got a baseball diamond since, but the kids are still around. They've got a baseball diamond since, but the kids are still around. They've got a baseball diamond since, but the kids are still around.

Yesterday's Stars

Ned Harris, Tigers—His three-run homer in 11th inning beat Yankees.
Stan Hack, Cubs—Doubled with bases loaded for three runs to decide game with Phils.
John Humphries, White Sox—Pitched out ball for six innings and sparked two-run rally against A's with triple.
Ray Mack, Indians—Scored winning run in 12th inning of game with Senators by singling, moving to third on another hit and beating throw to plate on fielder's choice.

What You Buy With WAR BONDS

The power of the United States Navy in the world, our own two-ocean fleet, rests in large measure on its backbone—the Battleships of the Line. They displace approximately 35,000 tons and cost up to \$70,000,000. They have something like a score of these huge ships in the Atlantic and Pacific.

Eight huge battleships are under construction and more are contemplated. To finance these modern goliaths of the sea it is necessary for every American everywhere to buy more and more War Bonds. We can do it if everybody does his share. Invest at least ten percent of your income every pay day to help your country go over its Bond Quota. U. S. Treasury Department

COCHRANE IS BUILDING UP SERVICE TEAM

Washington, June 11. (P)—Lieut. Gordon (Mickey) Cochrane, manager of the Service All-Stars, has chosen 13 soldiers and 10 sailors to make up his team for the benefit game at Cleveland July 7 against the winner of the annual American League-National League all-star contest.

Furthermore, Manager Mickey is serious about winning the Cleveland classic. He has asked that his players be relieved of their military duties in time to report to him at the Great Lakes Naval Training Station 10 days before the game for practice.

It is a powerful squad that Cochrane has picked, comprising the cream of big league talent that has answered the colors—Bobby Feller, Hank Greenberg, Cecil Travis, Don Padgett, Johnny Rigney and the others.

As his coaches Cochrane named Hank Gowdy of the Cincinnati Reds, who was the first big leaguer to enlist in the other World War, and George Earnshaw, former great pitcher with the Philadelphia Athletics, now in the Navy.

As a warm-up for the Cleveland game, Cochrane's stars probably will participate in a contest at Detroit July 4 between Great Lakes and Camp Custer, the Navy men playing with Great Lakes and the Army men with Custer. This would be in the nature of a homecoming for three players, Greenberg, Freddie Hutchinson and Paul Mullin, all of whom were with Detroit before going into the service.

Stoneham and Forgers Mix in Sunset League Game Tomorrow Eve

Stoneham, with what may soon be rated as the second best pitching staff in the Sunset League unless the State Hospital can bolster its mound corps without further delay, will battle the Forge tomorrow evening in another 6.15 twilight fracas on Russell Field, and the contest shapes up as a good one.

Against the Eagles the Stoneham lads showed themselves to be an alert, cagey and especially strong defensive ball club, needing only more drilling at the plate to become a serious threat to any pennant dreams held by the other three entrants in the circuit.

Tomorrow night, Manager Ray Bennett, one-time stellar moundsman, is expected to take the starting mound assignment, and if necessary he'll have a capable relief slusher in his young son, 16-year-old Craig Bennett, who served a smoke ball and a roundhouse curve to Eagle batters, much to their dismay on Monday night, and proved to be highly successful with his "dope" on the ball. Above all this, he owns fine control, good enough to give any batsman a headache in the first inning.

The Forge gave Hines, Caffrey and Gagliardi all a workout against the Hospital last night, and who they will use against Stoneham remains to be seen.

Few fans probably realized today just how close they came to seeing a triple play last night in the Forge Hospital game. With Hines on second, Creola on first in the second inning, Eddie Burns hit to Monk Murphy at third. Murphy threw to Dahler at second, forcing Creola and had not Dahler hesitated his throw to first when Hines froze in the base path between second and third, Burns might have been retired and then Jewell's toss to Murphy at third would have caught Hines who had made the third out. Burns, however, beat the throw to first and a double play was the result.

Three players that could have meant a lot were missing from the State Hospital lineup last night. Jim Rose and Johnny Kane, pitchers, and Harold Brown, stellar shortstop, were out of action. Rose is still recuperating from a leg injury received recently in a game at the Hospital. Kane is working on the RR and couldn't make last night's clash. Brown was unloading railroad ties at his job, and the ties were created. He was wearing a thin shirt, the result being his arms swelled like a balloon and were badly burned. He'll be out of the lineup for a couple of days, at least.

A physical training program at the Southeast Air Corps Training Center was "saved for the service" more than 500 Army fighter pilots who would have been eliminated, less than a year ago. Intensive training increases their co-ordination.

Rec. Center Streak Ended As K. C. Wins

The winning streak of the Recreation Center softballers of the City League was ended last night when the K. C. outfit bumped them for a 7-3 decision over the unimpaired route.

DeNardi hurled a five-hitter and had the game under control as the Casseys gained vengeance for an earlier defeat at the hands of the Center.

The Casseys pounded Sealise and Seagust for nine hits during the fracas.

Score:
K. C. 7, 202 101 01x 7 9 4
Rec. Cen. 061 010 001 3 5 4
Batteries: DeNardi and Julian; Sealise, Seagust and Confer.

UNFAIR TO LOVE

By Watkins E. Wright

Chapter 26
Stubborn Girl

AS THE days passed Joe had the feeling that Kathleen had walked straight out of his life. So far as ever getting an opportunity to talk to her, he and she might as well have been living on opposite sides of the globe.

He forced himself to keep hard at work, trying to improve upon the play, giving a "homey" air to his column, and polishing up his play reviews. There was certainly plenty to do—and he liked working. But he couldn't keep his thoughts from returning again and again to Kathleen and the dreams and hopes he had so long held where she was concerned.

Finally there came a day when he could no longer resist the urge to say hello to her. He wrote a last item to his column—an item about Miss Camilla's furniture being used to outfit a stage setting—and then placed the cover over his typewriter. He picked up some rewritten scenes of his play, planning to read them aloud to Kathleen when she came down the stairs of the Linville Gazette Building and jumped into his car.

Not long afterwards he was facing Lizzie out at the Vaughan residence.

"No, Mr. Joe," said Lizzie, "she ain't home. Sam, like she ain't never to be no more."

"Okay," said Joe. "Thanks Lizzie."

He turned to go, but Lizzie had an idea.

"Ah! got some sugar-cured ham for supper, Mr. Joe," she said. "No kidding?" said Joe. "An' it's a shame for Mr. Frank to be eatin' by himself all the time."

Supper For Two
"HELLO, Joe, boy," Mr. Frank greeted. "Waiting for someone?"
"No," said Joe. "I'm waiting for some sugar-cured ham. Smell it?"
Mr. Frank sniffed the air. "Do I?" he said. "My, that smells appetizing. Where's Kathleen?"
"I thought you were waiting for her."

"She's not coming home," said Joe. He explained about the telephone call. "Lizzie thought you might like to have me eat with you."

"Lizzie's right," said Mr. Frank. He sat down upon the top step. Kathleen's been as scarce as hen's teeth here of late. Oh, well, I suppose rehearsing is an exacting business."

"Evidently," said Joe dryly. "I'm not an exacting man when you have a handsome actor to coach you, and drive you back and forth to the theatre."

Jap Sub Sunk in Sydney Raid

Approximately 60 feet long, the midsize Jap submarines which raided Sydney harbor, were somewhat larger than the two-man subs Japs used in attack on Pearl Harbor. Craft being raised, one of four used in Sydney raid, probably carried crew of six.

PHILADELPHIA GIVES WAR HEROES WELCOME

Philadelphia, June 11.—(P)—Philadelphia roared a welcome today to a party of smiling, quiet-mannered men whom two nations have honored as heroes of the second World War.

Officers and enlisted men of the British and American armed forces, they scheduled their visit here in the course of a tour to spur war bond sales.

A parade and a rally of thousands in downtown Reuben Plaza were arranged as the city's welcome.

A visit to the Liberty Bell in Independence Hall, followed by a luncheon with civic leaders and a war bond meeting were scheduled.

Henderson Is Unwilling To Boost Crude

(From Page One)
by some incentive," Henderson told the committee, "an additional amount of small wells by whitening (the drilling of wells in unproven areas). I certainly think that in this emergency we are warranted in looking for other methods of approach."

"I see no reason to pay 25 cents a barrel on all production, to all companies, for whitening, when only a few companies actually do

the whitening. In other words, the 25 cents a barrel that would be paid on crude would go in the main to people who already own oil properties and would be a bonus for which the government would get practically nothing."

Crack Ball Player and Star

(From Page One)
choicest notices of all performers with his appearance 20 years ago in the Sing Sing musical comedy "Honey Girl."

The notices cited Patrick's disappearance as well as his appearance, for Dealey, costumed as a woman for the play, mingled with visitors afterward and simply walked out, not to be caught until two years later.

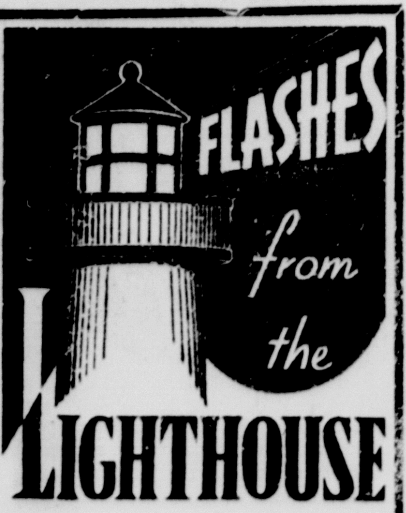

Markham himself, third member of the well-known Sing Sing trio, would be hailed in any jail, his ready wit and all-around good-fellowship helping alleviate the dull routine of prison life.

All three are "home" again and expect, to spend quite some time around the old hangout.

The rest of the week hereabout will be dedicated to the Loyal Order of Moose. We are glad to be among those welcoming the delegates to Warren and we intend to do our part to make their visit here pleasant and memorable.

Since the Motor Lighthouse is Warren's first (and only, so far) official Red Cross First Aid Station, it has been designated to serve as an Emergency Station during the Moose Parade Saturday afternoon. So that our men will be available for that service, we will close the station during the parade, and will stay open an hour later that evening. The indulgence of our patrons will be appreciated.

Glade Alumni Banquet Held At Irvinedale

The Glade Township Alumni Association held its second annual banquet last night at Irvinedale school, with dinner served 150 members and guests from tables prettily decorated in red, white and blue and centered with lovely flowers. Mr. and Mrs. Merle Schweitzer, of Hemlock, deserve much credit for arrangement of flowers in the room and for having brought so many baskets of beautiful peonies. Appreciation for capable serving was accorded Mrs. Orrie Tuller and her committee.

Archie Hunter, former township teacher, acted as toastmaster for the following program: Vocal solo, Melba Olsen; welcome to graduates, Mrs. Clyde Hansen; alumni president, response, Geraldine Bennett; class president; readings, Anna Nichols; vocal solo, Harold Knapp; Mrs. Hansen, Jr., with Mrs. Dwight Silze playing accompaniments for their numbers.

C. S. Knapp, former county superintendent, gave a pleasing talk and W. J. Summerville, assistant county superintendent, gave the address of the evening. He spoke of the five ways of evaluating a school: Buildings and equipment, playgrounds, capable school directors, efficient and well trained teachers and an interested and co-operative community, summing up with the opinion that Glade township excels in all five points.

Mrs. Hansen conducted a short business session, with Mrs. Merle Solinger presenting the nominating committee's report for election of the following officers: President, William Olney; vice president, Betty Schweitzer; secretary, Mrs. Louise Hart; treasurer, Lorraine Johnson; historian, Jeanette Hatch. It was voted to hold next year's banquet at the same place.

To conclude, dancing was enjoyed to the music of Wilson Brydon and his orchestra.

SHOW YOUR Colors on Flag Day, June 14. Flags obtainable at Times-Mirror office.

Begin Fight or Pests Before Damage is Done

Spraying and dusting in the garden should begin before damage appears, since it is our purpose to prevent damage. After a plant has been ruined spraying does no good.

How do we know what to expect in the way of insect injury and disease? By what we experienced last year. If we grew potatoes, we know the Colorado beetle and leaf hoppers will attack them. The striped beetle will surely infest our cucumbers. Aphids will certainly cluster around the new leaves of the crabs, and on the new growth of the shrub. The phlox fungus will, without fail, turn the lower leaves of our finest phlox varieties brown if we do not act to prevent it.

At this season, then, we should begin preventive measures, and equip ourselves with a contact insecticide to kill the juice drinkers, which should be sprayed on because there is no practical way of applying it in powder form. But it is better to use powder for the leaf eaters, and as a fungicide in the ornamental garden. Powder will stick on the leaves to poison the caterpillars and beetles and it will serve for combating the various forms of fungus. The beauty about powder or dust is that it is so much more easy to apply. You can snatch up the duster at a moment's notice and rush out to apply a needed dose, while the job of mixing up a spray is much more serious.

Spraying and dusting materials are sold under trade names. But the materials most in favor are: For contact insecticides, nicotine sulphate, pyrethrum and rotenone. For poison, to be eaten by insects, arsenic in some form. For fungicides, sulphur. Inquiry for these three classes of materials will quickly inform you of the various trade names under which they are sold; and each preparation has instructions for its use which should be carefully followed.

A pound of arsenic powder to ten pounds of gypsum is probably still the best check of the striped beetle for cucumber and squash vines, or for other caterpillars and beetles. It will burn the leaves, however, if you apply too thickly.

Dusting Young Cucumber Plants to Protect Them from Striped Beetles.

tions for its use which should be carefully followed.

RICHEST ENGLISH COLLEGE

London University, with an annual income of \$9,600,000, is the richest college in England. Cambridge ranks second and Oxford third in this respect.

Freight Car Committee Is Working Here

Much more efficient use is now being made of railroad freight cars as the result of the activities of such groups as the Warren Car Efficiency Committee. F. W. Jefferson, of the Struthers-Wells Company, chairman of the committee, declared today.

The local freight car efficiency committee, he said, is one of more than 360 similar groups which cover the entire country. The committees, organized under the leadership of the 13 regional Shippers Advisory Boards, are inducing as many shippers and receivers as possible to follow those practices which will increase the usefulness and capacity of the rail plant in war emergency. These practices include heavier loading of cars and more prompt loading and unloading of them.

So effective has the work of these voluntary groups been, the local chairman continued, that shippers and receivers are setting new records for efficient handling of freight cars. As an example of the effectiveness of the committee, he told of a company that had persistently been using freight cars for storage instead of their essential business of transportation. A call by the car efficiency committee in that city resulted in the firm's increasing the number of its loading crews, and now the company is unloading cars on the day they are received instead of holding them two or more days.

"There are hundreds of similar instances in which shippers are co-operating with the railroads," the local chairman concluded. "But shippers must and will do even better to keep cars moving to meet the nation's war transportation needs."

"Doolittle and Do It Now"

Brig.-Gen. James H. Doolittle

When Brigadier General James H. Doolittle and his 79 American

fliers skimmed over the house-tops of Tokyo and dropped bombs on Japanese docks, ships and munition plants the first installment was paid in avenging the treacherous attack on Pearl Harbor. For two days the fires from Doolittle's bombs devastated Tokyo's war industrial plants and those of other Nipponese cities. Tojo's propagandists attempted in vain to stem the panic of the people by trying to belittle the importance of the attack. But the war lords of Tokyo know that attack will be repeated—that American bombers will return again and again and the day of vengeance for Pearl Harbor is in sight.

The Medal of Honor for General Doolittle and the Distinguished Service Cross for each of his intrepid aviators, bestowed by President Roosevelt, represent every loyal American citizen's gratitude for this most brilliant exploit in aviation history.

There are more than 600,000 miles of railways in the world.

Start Plans For Fair Of Lander Group

Farmington community held an "all-out" meeting in the interests of a 1942 fair recently, and realizing that conditions because of the war would curtail some departments, nevertheless decided to carry on with the annual fair regardless.

The following directors were elected: Richard Lindell and Francis Shaffer, Akeley; James Prettyman, Russell; Ernest Stanton, Akeley; Lynn Burgett, Henry Knapp, Paul Rowland, Russell; Jay Cowles, Sugar Grove; Raymond Gruber, Warren; Ernest Beck, Sugar Grove; Henry Ludwig, Akeley; Mitchell Mahan, Russell; Mrs. Clara Burgett, Sugar Grove; Floyd Wilcox, Akeley; Mary Stufflebeam, Akeley.

Ernest Stanton presided over the session and the elected directors were asked to meet again on June 13 to elect officers and form various committees.

I wonder if you're aware of the splendid job the USO is doing for the boys in the army camps and naval stations? Most of us in Hollywood have had the opportunity of seeing the results of work that is being done by this remarkable organization and because of that are giving it our whole-hearted support.

Everyone here has been mighty glad to be of help—some with money, others by giving shows at the camps—some have done both—but each one has pitched in to help in some way or another.

So, I'd like to put in my plea to everybody, everywhere, to make sure the USO gets the funds it needs. They keep up the spirit of your boys—your fighting men. So, come on, please dig deep, won't you, and give everything you can?
